Hi Michael,

I hope you are well. I have now had a response from Redress Scotland and can confirm your application has now been registered with them.

Next steps - We are now in process of reaching out to the relevant authorities, agencies, care institution/charities, NHS and police records or court for records to submit as part of the final application. Redress will need these records to make their decisions. DSARS do take the longest time to get returned. We will keep you updated.

Regards
