OTHER INTERESTS		

HEALTH  
William has been in poor health, with the doctor being quite concerned about him. He has been having iron tablets and medicine to help him but he needs to stop smoking in order to stop any more bronchial trouble

HOUSE REPORT  
William was absent a lot from Thornthorn last term, and we are glad to see better attendance this term. Seems to be functioning better in the unit, but still room for improvement  
RP

HEADMASTER'S REPORT  
William has responded well to the promise of a day school place next session if work improves here. Much better progress this term
