

DR. BARNARDO'S—THORNTOUN SCHOOL—REPORT

Name..... WILLIAM REID.....
 Average age of class..... 14.8.....
 Number in class..... 8.....

Age..... 14.....

Date..... MARCH 1977.....

Height..... 143.....cms.

Weight..... 37.....kgs.

SUBJECT		
ENGLISH Reading Writing Spoken	B B	Fairly capable of all English work. If he could apply himself a bit more and start on time he would very speedily progress. Good steady work this term. William is an able boy. He has much to offer in class discussions. GB.
MATHEMATICS Arithmetic Practical problems Other	D+	William has been reluctant to do much work in arithmetic. There have been some signs of improvement lately. BJ.
SCIENCE Physics Chemistry Biology	B B-	William is quite quick to understand and he has done some good work. CS. 46% Missed a few lessons. Good when applying himself. JSS
ART AND CRAFTS	C+	William still needs to encourage the quiet, concentrating side of himself to improve the decent work he produces. PMD.
SOCIAL STUDIES Geography History	C B	William's standard of work is erratic. He can do very good work. FH He has a good memory. If he could apply himself all the time to hard work he could really get places. AC.
DOMESTIC SUBJECTS Baking Sewing		
WOODWORK AND WORKSHOP		
LANGUAGE		
MUSIC	C	Works well and with understanding. FH.
GARDENING	C	Estate work.
CLUBS AND PHYSICAL ACTIVITIES	Swimming Football	Steady progress. CS. William is an industrious footballer and plays for the school. BJ
OTHER INTERESTS		

HEALTH Good	HOUSE REPORT Can be popular with his peers. A very uncertain term for William.
--------------------	--

HEADMASTER'S REPORT

William has had a difficult term, uncertain about himself. This reflects in the poor grade for maths. He could do much better.

JOHN S. SCOTT,

Principal
