Good morning Raymond. I hope you're keeping well. Could I ask please which court you were sentenced at when you had to go to Polmont as we need to pass this information on in response to one of the historical information requests we'd sent. Kind regards, Deanna

Today

Hi Raymond. Sorry to bother you again but I don't appear to have received the information that's outstanding for your application so that we can continue to move forward. This was listed in the letter I sent to you a few weeks ago following our chat. Have you received your new driving licence yet? Once you've received this, we will need a clear photo of it sent to this chat so we can save it into your case file for the application. We also need to get a screen grab of you holding it for certification by our solicitor. Please send the photo to me via this chat and if you could let me know when it's convenient to do a quick video call to sort out the screen grab. Could you let me know Christin's full address & contact email address or phone number please as we need to complete the beneficiary section on the application form. If you need any support with these, please don't hesitate to let me know. Kind regards, Deanna
