Dear Mr Rowan,

Outpatient appointment: University Hospital Monklands
CHI number: 0310755131 Specialty: Spirometry Outreach Resp

I am pleased to inform you that I have arranged an appointment for you at **Clare Masson, Chief Respiratory Physiologist's** clinic, on **Monday 27/07/2026 at 10:45**. Please report to **Respiratory Investigation Centre, University Hospital Monklands Outpatient Area 6** bringing this letter and a list of any medications you are taking. Please advise the receptionist if you have not lived in the UK for the past 12 months.

While we try to provide you with an appointment locally, this may not always be possible and you could be offered an appointment in another location or site.

To cancel or change your appointment, please contact us on the number at the top of this letter. New appointments should be declined within 7 days of the date on this letter to maintain your position on the waiting list.

You should be aware that you are entitled to two appointment offers. If you are unable to accept, any of these your clinical team may decide to remove you from the waiting list or reset your waiting time to zero

If you fail to attend your appointment (Do Not Attend), it is likely that you will be removed from the waiting list and returned back to the care of your GP. Please note any missed appointment costs the Health Service at least £136, so it is important that you contact us as soon as possible

NHS Lanarkshire also works in partnership with the NHS Scotland National Elective Co-ordination Unit (NECU). You may be contacted by NECU by text or phone while you are waiting to check that you still require an appointment.

The Scottish Ambulance Service can be contacted on Tel No: 0300 123 1236 if you need medical assistance to travel to your hospital appointment.
