Dear William

We have been trying to contact you, to discuss the next steps of your Scottish Redress Application.

If you could please contact us as soon as possible on our main office number, 0203 004 6549, we'd be very grateful as we cannot progress your claim without your active involvement.

If we haven't heard from you within 1 week of receipt of this letter, we'll assume you don't want to continue your claim and will issue a closure.

If you are unable to call, could you please email us at support@aikerlegal.org.

Kind regards,

Michelle Sherratt
