

Good afternoon

Individual Rights Request (Subject Access Request)- Alexander McGarry

In respect of the subject access request (SAR) received by the Scottish Courts and Tribunals Service (SCTS) on 15th December 2025 that is a request on behalf of Alexander McGarry.

I have considered this request in accordance with Section 45 of the Data Protection Act 2018 (DPA, 2018).

It requested:

‘...We refer to the above and confirm we are instructed in respect of a Redress Scheme application.

Please be advised that we are writing to the you in order to obtain the following information. As part of our client’s application to the Redress Scheme Scotland, he advised us that he was within:-

Approximate Dates in Care: 1968

Institution(s): Client believes he was sent to St Ninians, St Joseph’s Edinburgh, St John’s Glasgow, Larchgrove, Glenochil

We are seeking to obtain records confirming this in support of his application to the Redress Scheme...’

With the information provided, I searched our criminal case management system which held no relevant information.

I then consulted NRS who advised that the relevant court records that cover the correct time frame, location and age of offender are unavailable.

As a result we are unable to provide any information. I am sorry that I cannot be of more assistance on this occasion.
