Dear Raymond Baker,

Thank you for the subject access request of 31 October 2025 you made on a behalf of your client.

We recognise you have highlighted this application as a priority due to the age of your client. We aim to respond to your request as soon as possible. These requests are complex in nature, and we endeavour to respond promptly and, in any case, within three months of receipt. We apologise for the delay and any problems this causes.

NRS holds some closed government files which relate to the institutions that were mentioned in your request. SG has now taken responsibility for searching and administering access to these records. We have therefore forwarded your request to their Information Assurance and Data Protection Branch ([dpa@gov.scot](mailto:dpa@gov.scot)), who will provide you with a separate direct response about the records in due course.

We will provide you with our own response covering all other records in NRS's custody.

Should you have any questions in the meantime, please contact us by quoting your case number: NRS-DP-2025-985.

Kind regards,

Freya
