Dear ANTHONY,

We're writing to let you know about some changes to your Adult Disability Payment.

We understand that you've agreed to take out a vehicle lease with Motability using your award for Adult Disability Payment.

This means there will be some changes to your payments each month.

Changes to your payments

Your mobility component will now be paid directly to Motability to cover the cost of the lease, starting from 4 March 2026.

Your daily living component will still be paid directly to you.

Your new payments

We'll pay £394.66 into your account on 23 March 2026.

We'll then pay £295.60 to you every 4 weeks until the lease ends.

The money we pay directly to you now only includes your daily living component.

Payments to Motability

We'll pay:

£209.14 to Motability on 23 March 2026

Dignity, fairness, respect.
