### Is Pay As You Go still right for you?

Your prepayment (Pay As You Go) meter can help you keep on top of your energy use and budget more easily. But we want to make sure it still works for you. If you experience any difficulties using your meter, for example if no one in your home can easily operate it, or a change in your circumstances, such as to your health, please get in touch to let us know. We can then review your circumstances and work out how we can help.
