Hi Donald. Thanks so much for providing the information to me earlier and for the attached bank statement. I've just been checking over the application to make sure everything is correct and noticed your passport shows your date of birth as the 12th Sept 1977, not the 19th as it shows on your information that we were sent with your application pack. Could you please confirm the correct day so I can progress your application to the submission stage. Kind regards, Deanna 15:20 ✓

Hi Donald. Thank you again for providing all the information we needed for your application. It has now been submitted to Redress Scotland for the initial registration and I'll be in touch once we have received the case reference number from them. If you have any queries in the meantime, please don't hesitate to contact me via WhatsApp or by calling 0203 004 6549. Regards, Deanna 16:07 ✓
