Good morning Jess

I'm just checking if the payment for James has been processed please as his signed waiver was received on the 24th of June but he said nothing has been received yet? Another survivor we're assisting has received his, but his signed waiver was returned after James's was received so I'm just messaging to get confirmation that it's in the system. I know it can take up to 10 days but wasn't sure if this was working days or including weekends?

If you could look into this for me please I'd be very grateful.

Kind regards
