Hello there - It's time to check your details!

SP Energy Networks – Keeping the lights on

We're responsible for the electricity network that serves Central & Southern Scotland, Cheshire, Merseyside, North Shropshire and North Wales. We're the company you call in the event of a power cut, no matter who you pay your bill to.

Why have I received this letter?

We hold your details on our Priority Services Register and have an obligation to contact you every two years to ensure the information we hold is correct.

If any of your information has changed, including telephone numbers or health concerns in your household, please contact us on **0330 1010 167**.

Caring for our customers – Additional services

Our Priority Services Register customers may also benefit from other services that are provided by our selected partners. These services are free of charge and may help you save money, feel safer & warmer in your home and help with loneliness. Visit our website or call us on **0330 10 10 154** to find out more and take advantage of these services.
