About your claim for Industrial Injuries Disablement Benefit

Dear Mr Milne

I am writing about your claim for Industrial Injuries Disablement Benefit. We have decided that the prescribed disease known as A14 Osteoarthritis of the knee has caused you a loss of faculty. By loss of faculty we mean some loss of power or function to a part of your body.

- The loss of faculty is Osteoarthritis of the knee
- You have been assessed as 16% disabled from 21/01/25 to life because of the loss of faculty. The date of onset of the prescribed disease is 01/01/13
- We will pay you £44.30 a week from 21/01/25 to life

We made this decision after looking at all the information we have, including the report from your medical examination on 03/02/25.

Your disablement assessment is a final assessment.

How we will pay your benefit

We will pay your benefit into your Bank account every 4 weeks.

About your medical report

Your assessment takes account of these conditions:
Impaired lower limb function 16%

We have many different ways we can communicate with you.

If you would like Braille, British Sign Language, a hearing loop, translations, large print, audio or something else please tell us using the phone number at the top of this letter.
