Purpose of This Statement

I am providing this statement in support of the applicant's Redress Scotland application. I know them personally and wish to offer information about their experiences and the impact these have had on their life.

How I Know the Applicant

He is my dad.

What the Applicant Shared with Me

My dad has shared with me that when he was in the children's home as a child he was verbally abused and also slapped by certain members of staff within the children's home.

Impact I Have Observed

My dad does not like to talk too much about his childhood in the children's home as it can bring back bad memories for him and it makes him upset.

Closing Statement

I offer this statement to support the applicant's application. Everything I have written reflects what they shared with me and what I have personally observed during the time I have known them.
