Dear Aiker Legal,

I can advise that records relevant to your request have been identified. We are currently awaiting receipt of these records. Once received, they will await scanning and then allocation to an officer for review/ redaction.

Unfortunately, I am not in a position to provide a timescale for this, partly due to the complex and varying nature of these requests, but also due to the significant backlog of requests our team is experiencing arising from the Scottish Government's Redress Scheme. However, I can advise that your request is currently 665th in our queue of c900 requests.

I apologise for the delay you are likely to experience and any inconvenience caused. Please be assured our team are working diligently to process these requests as quickly as possible.

Thanks
