Hi John,

### **Certifying documents**

Did you receive my last email regarding certifying your ID documents ? If so, how are you getting on with getting this this ?

If it is inconvenient for you to have to travel to the post office and pay the service fee to get the documents certified, this is something we can on a whatsapp video call if that is more convenient for you.

### **Supporting statement**

Finally, I see that you have nominated Paige Collins to provide your supporting statement – could you please let Paige know that we will be contacting her regarding this statement. Once you have let her know, could you please confirm this with us as we can then go ahead and contact Paige to complete the statement.

If you could get back to me about these two issues that would be great, as we are at the final stages of putting together all the evidence we have gathered for your case.

Kind regards,  
Sam Morris
