Subject: Redress Scotland Update Information Request

Hi John,

We are in the process of gathering evidence and formulating your final Redress Scotland application. To finish this process there are a few things we need to confirm with you.

- Has any of your contact information (phone number, email address, home address etc) changed since we had our initial call with you on 22/10/2025 ?
- You have indicated that Paige Collins may be willing to provide a supporting statement with your application, is this still the case ? We can contact Paige regarding the statement using the contact information you have already provided us with. However, before we do that, we need to confirm that you have made Paige aware that she has been nominated to provide a supporting statement on your behalf and that she knows we will be contacting her about this shortly.

Certifying ID's

As you are aware we have already received your forms of ID and proof of address. However, Redress Scotland require certified copies of your photo ID and proof of address.

The post office can certify your ID documents for you. You will need to take photocopies of your in-date visual ID (drivers' licence / passport / Saltire card etc) and up to date proof of address (council tax letter/bank statement dated in last 3 months etc). If you do not have access to a photocopier, you can do this at a local library. Then take the photocopies to the post office and they can certify the documents there. There is a cost of £12.75 which will be reimbursed to you, by us.

Once you have done this, please send us the certified copies (not the originals) together with the receipt from the Post office.

The address to send these to is:

Aiker Legal Ltd, 4a Edison Court, Elice Way, Technology Park, Wrexham, LL13 7YT.

Let us know if you need any help with this.

Kind Regards,
Sam Morris
