Notice of Determination
Keep this letter as evidence of your award

Adult Disability Payment

Dear DOROTHY,

Thank you for sending us the information we requested. We have completed our review.

This letter together with the enclosed Decision Report is your Notice of Determination. It tells you what you've been awarded and why. The determination has been made based on your application and the supporting information provided during your review.

You have been awarded:

- Enhanced rate Daily Living component at £110.40 a week
- Enhanced rate Mobility component at £77.05 a week

This means we will be paying a total of £749.80 every 4 weeks (£187.45 a week).

About your award

We will pay £749.80 into the bank account you have chosen every 4 weeks on a Tuesday beginning 9 December 2025. This payment will always be for the last 4 week period.

Dignity, fairness, respect.

Payment details

We will pay £749.80 into your chosen account every 4 weeks on a Tuesday beginning 9 December 2025. This payment will always be for the last four week period.

If your normal payment day is a bank holiday, then you will be paid on the previous working day.

We will also calculate if we owe you any backdated payments of Adult Disability Payment as a result of our review decision. If we do owe you backdated payments we will pay these into the same account as your regular payments.

Your payment from Social Security Scotland will appear in your chosen bank account with a reference based on your National Insurance number, and 'ADP' which refers to Adult Disability Payment.

If you disagree with our decision

If you do not agree with our decision, you have the right to ask us to take another look at your application. This is called a re-determination. It is where a new team who were not involved in making our original decision will look at your application again, along with any new information you want to give us. This new decision could mean your payment goes up, down or stays the same.

You can ask us to look at our decision again by:

- calling us on 0800 182 2222 (freephone, 8am to 5pm, Monday to Friday)
- filling in the enclosed form and posting it to us with any more supporting information in the prepaid envelope

You need to send us your form or call us by 8 January 2026 which is 42 days (6 weeks), including weekends and bank holidays, of receiving this letter. If we receive your request after this date please give the reason why it is late on the form or when you call us. If you do not provide a reason, we will not be able to consider your request.

We then have 56 days (8 weeks), including weekends and bank holidays, to take a fresh look at your case and make a new decision. We will contact you during this time to discuss your request. We will then send you a letter, called a notice of determination, to let you know our decision.

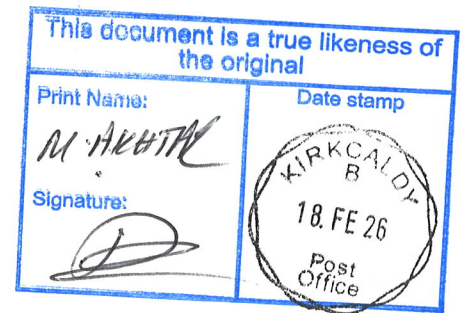

Making an appeal after a re-determination request

If we have not made a new decision within 56 days (8 weeks) you have the right to an appeal. If this happens, we'll write to tell you how.

Dignity, fairness, respect.
