Mr & Mrs Ferguson were full of excuses for not
phoning or writing to Gavin & Marjory. They complained about not
being allowed to visit the children and would not accept the
reason that ^{there} was the possibility of re-infection. Nor could they
understand why Marjory had not been allowed home.

They are in the process of redecorating their living room

Dougie was really fed up when I called to-day. The "big end" of his car is broken and he will be unable to repair it. - a great deal of time & money lost.

When I asked about their feelings regarding Gavin & Marjory they appeared too calm and collected. Generally Dougie would either be feeling angry & frustrated or admitting that there was some friction or mis handling but there appeared to be negative approach to the situation. Not like the Fergusons at all. Dougie appears more upset about the car.

She is awaiting an appointment to go into Ninewells for an exploratory operations. (gy) I'm not sure that's the only reason. Perhaps it's a repetition of last year.

Mr. Ferguson was in a very bad mood to-day. He was depressed & angry because he had just been charged by the police with a road traffic offence. Apparently Mr Ferguson had been involved in a road accident with a motor cyclist. No one was injured but the other parties motor bike was damaged & when he discovered that Mr. Ferguson had no insurance, road tax or drivers licence he called the police.

Obviously Mr Ferguson was not feeling his best, but he allowed it to show very plainly. All the family were at the receiving end of his frustration.

Action to be Taken: After talking for a while Mr Ferguson was able to accept ~~the~~ the fact that it was no one's fault but his own & that it was pointless (damaging to the children) to vent his frustration (verbal) on the family.
