

24.12.74

Phone Call to <sup>ASSR</sup> Matron, Kames Castle.

She told me that some children were returning from Glasgow on 30/12/74, so the Barr children could be brought up on that date to Glasgow to spend the day with their grandmother & grandfather.

She told me she would contact me if she needed any help with transport. She also seemed keen for the children to stay in Glasgow for the weekend and I said we could do this after we saw how the day outing went.

Apparently the children are very settled at Kames Castle and pose no particular problems. I told her I would like to meet the children soon, perhaps when they were coming to Glasgow for a visit.

30.12.74

All the children spent the day at their grandparents home in Glasgow.

Arrangements were made to transport them from Central Stn - home but Mrs Barr said she would manage to cope alone and wanted to take the kids round the shops first.

James to office. Appeared well and  
pleased for. States he is happy  
and that he has no problems.  
Admits to being slightly anxious  
about starting new school, but is  
glad to have finished with Kames  
Castle Home. Has no special urge  
to see the staff or any of the  
children but feels they may know  
them sometime in the future.  
On leaving office expressed his  
intention of going to visit  
Granny Barr prior to returning  
home.  
Application made for items of  
clothing for James - see attached  
list.

CONTINUATION SHEET

1/11/79 Phoned Mrs. Milne, Head Kames Castle, and it was agreed I should contact children at earliest possible date. Arranged to call at Kames Castle tomorrow.

L. MacIntyre

2/11/79 Visit to Kames Castle. Discussion held with five children and housekeeper. Children confused and resentful at breakdown in relationships with mother. James expressed strong dislike for David Sloan and wish nothing more to do with him.

Children requested that should mother not return consideration be given to placing them for fostering as they have no wish to remain at Kames Castle indefinitely.

James and [redacted] have both been involved in petty theft from Wootton's Stores.

## CONTINUATION SHEET

None of these children  
relate as brothers and  
sisters. Each is self-centered

All children do not have  
a wish to remain together  
in a fostering situation - each  
is only concerned about  
his or her own ~~wellbeing~~  
wellbeing.

Last Review 20.5.80

Since last Review on 20.5.80 the children have had regular week-ends at home. James goes to his mother and spent all the Summer Holidays with her. [REDACTED]

They seem to have got on well with their father [REDACTED]

It would seem that the time has come for us to give serious consideration to the children returning to the care of their parents. James to his mother [REDACTED]
