Dear Ms Sherratt

Request for Access to Records
Your Client – Alexander McGarry

I am writing with regard to your application requesting access to your client's childhood social work records.

We have searched our electronic records and can find no person of that name and date of birth, nor any person of that date of birth with a near match to the name.

An enquiry was submitted to the records manager at the Mitchell Library. This enquiry was accompanied by the information you supplied. The records manager confirmed, after relevant searches, that no Glasgow Social Work records could be found. However, the records management team have found a file belonging to East Ayr.

Deposited by E Ayr SWD Auchinleck, Cons 1280, box 2, 5y-7391. McGarr Alexander, Loc 2299

Please note, this is a 5-year file and may have been destroyed. Please contact the relevant authority to check for this file.

The Mitchell Library is the main repository for social work client files and general social work information that has been archived. Records for Glasgow City Council and preceding Local Authority structures, Strathclyde Regional Council and Glasgow Corporation are held there.

If we can find no trace of electronic records and no manual record under record management functions of the Mitchell Library, then all searches are exhausted.

I regret that I can assist you no further in this matter but hope that the information above assists in explaining the extent and nature of searches conducted.
