Dear Tracy

I am sorry that you have been so unwell and hope you are now a little better.

I am keen to take Claire down to see you but understand that this has to be with a pass. As you know I was hoping to come tomorrow but no pass has arrived for Claire. I will now keep free Wed 24th, next week, and would ask you to send her a pass for then. I would aim to visit at 2.00.pm. and I will also ask whether I can have some social work time with you. I am aware that we also need to have a review for Claire, and I am looking into the possibility of having it in Cornton Vale, but this will take some time to set up.

I am enclosing a letter to be sent to Housing Benefit, which I would be obliged if you would sign and return to me, as Alistair is still waiting for his money!

I look forward to seeing you soon.

Yours sincerely

Purpose(s) of Hearing Review at Panel Request.

Decision(s) of Children's Hearing

1. Not to appoint a Safeguarder s 41.
2. To continue the Supervision Requirement. s 73 (9)
3. That Claire shall reside at c/o 11 Harrowden Road, Inverness

Reasons for Decision(s)

Claire is receiving no form of education as she does not wish to go to Timetree for the one hour tutoring that was available.

The Panel is concerned that Claire will have no structure in her life, & no education until college in September.

Claire expressed a wish to become a hairdresser & take a college course & the Panel would wish to see some work experience package in place perhaps via Culoden Academy or the Career Key Worker system.

We feel the continuation of the Supervision Requirement is essential to ensure that all appropriate support, advice & guidance is available to ensure that Claire has the best chance of assuming adulthood with a career & prospects.

We are also mindful of the continued uncertainty regarding Tracey's future & the need for support, & a residence, were Tracey to be separated from Claire.

Outcome	

As required by the previous Hearing, I approached the Social Work Service's Residential Placement Group regarding Claire on 27.05 and was advised the following day by Sandra Campbell that Claire could not be considered by them.

Later on the 28th I learnt that a foster placement was available in Inverness over the weekend, and depending on decisions to be made about other children, may be thereafter. This was with Mr and Mrs Falconer, Kinmylies. This was particularly appropriate for Claire as she had previously stayed there with her sister Nicola for about a year when she was about 9. Claire has remained in the placement since 29th May.

Tracy MacIntosh's court case was eventually resolved and she received an 18 month prison sentence. She is presently still in Aberdeen but will be moved at some stage to Cornton Vale Women's Prison near Stirling. Claire appears to have accepted this.

A visit is planned for Claire to see Nicola next week, when a Social Care Worker will accompany her travelling by public transport, with a view to enabling Claire to make this journey herself at some stage in the future.

I understand that Gordon MacRae is now transferred to an open prison, and is due to be visiting Inverness soon. Claire has contact by telephone with her parents, and it is hoped she will be seeing her father independently.

The Foster Carers

Mr and Mrs Falconer are very well experienced foster carers who specialise in teenage girls and can accommodate up to 4 at any one time. They are very clear in their role, commitment and expectations, as a result Claire is given clear boundaries and knows exactly what is expected of her. From their experience they know many of the young people Claire knows; they know her mother and background, which is a further strength.

Ongoing Issues and Concerns

In general Claire has been much more settled in her behaviour and demeanour since her move. She does want to stay at the Falconer's and appreciates that this is a good home base for her, which has been relatively easy for her to settle in to.

There were again issues about her staying out and as a result being reported missing, at the beginning of the placement, but these seem to have been largely resolved. At home Claire's behaviour is usually fine and she is spending more time at home, although there have been a couple of issues with the other girls which Petula Falconer has had to deal with.

Claire applied for a job as a trainee hairdresser and has had her first interview.

Against this improved background, Claire was only yesterday charged with shoplifting, along with a friend, from an Inverness clothes retailer. This is clearly very disappointing, particularly as Claire had seemed almost despite the odds to be avoiding such activities. Generally her lifestyle continues to give rise to some concerns.

Given all of the above it is very evident that Claire continues to need support and guidance and I recommend that her needs are most appropriately met by a Supervision requirement under Section 70 of the Children (Scotland) Act, with the condition that she reside at [REDACTED] Kinmylies.

Dear Mr Friel

Re: Tracy MacIntosh, c/o 11 Harrowden Road, Inverness, Highland

I understand that the above, whom you represent, is to appear at Aberdeen Court on 7th May, 02.

I am the social worker currently responsible for Ms MacIntosh's daughter Claire (15), who is subject to a Supervision Requirement under Section 70 of the Children (Scotland) Act 1995.

When I took over working with Claire she had spent several months in foster care in a number of different placements, as a direct result of her mother's earlier imprisonment, and the fact that her father and sister are also in prison. Within days the placement at the time broke down and we were again trying to find suitable accommodation for her. At this time her behaviour was giving rise to concerns for Claire's safety as she was frequently out very late and very headstrong, becoming involved in activities which placed her at risk.

As a result, on 14 December, at the request of both Claire and her mother, this department arranged Bed and Breakfast accommodation for them together. While they have moved to a different house, this arrangement has continued since then.

It is undoubtedly the case that Claire has fared a lot better in her mother's care. She is generally more co-operative and her behaviour has been much more settled.

The uncertainty surrounding her mother's future is clearly a factor for Claire who has had to live with the uncertainty for so long and is now becoming very anxious.

I am presently trying to arrange care for her, but feel it will inevitably bring about a return to her previous behaviour.

Ms MacIntosh is aware of my intention to contact you and has no objection.

While I realise the seriousness of Ms MacIntosh's situation, I am in no doubt that it would be in Claire's best interests to be enabled to remain in the care of her mother. I have also been in regular contact with Ms MacIntosh and Claire from December, 2001 to the present, often at their accommodation, and there has been no reason arising from this contact to think that Ms MacIntosh's lifestyle now gives rise to concern. She has been very consistent in her concern for her daughter.

I trust this information may be of some assistance to you.

Yours sincerely

On Tues 7th May, 02 Claire's mother, with whom she lived in B&B accommodation at the above address, appeared at the High Court in Aberdeen and has since been remanded in custody at HMP Craiginches, Grampian Place, Aberdeen, AB11 8FN.

Tracy MacIntosh requested this department arrange accommodation for Claire, but in the absence of a suitable alternative, on 7th and 8th May Claire stayed with friends of her mother, and on 9th May Claire moved to live with Mr and Mrs Brooks, foster carers, at Alness, where it is planned Claire will remain for the foreseeable future.

REVIEW OF SUPERVISION REQUIREMENT

Child: Claire MacIntosh

Date of Birth: 01.08.86

Home Address: 11 Harrowden Road, Inverness

School: Claire has not attended school for about 18 months

Legal Status: Sect 70

Date of Review: 02.05.02
Previous review on 04.12.01

Summary of Events

Claire's placement at Mrs Brown's broke down when she failed to return to the home on time on 12 December and was reported missing. Efforts to find her an alternative placement were unsuccessful, she was accommodated on a night-to-night basis at Craigton Avenue. Due to these circumstances I encouraged Claire to spend time her mother who was at the time staying at the women's refuge. On 14 Dec, both went to stay at B & B accommodation at 68 Lochalsh Road, Inverness. This arrangement has worked well, with the landlord offering them slightly better accommodation on the same terms at 11 Harrowden Road after several weeks. Claire and Tracy MacIntosh have since remained there.

Claire's attendance at Apex ceased in December. She has until recently had little motivation to consider future education or work

Claire has been more settled on her behaviour and referrals have effectively stopped since Claire has been with her mother.

Current Circumstances

The major issue is that Tracy has been cited to appear at Aberdeen Court on 7th May. It is highly likely that she will be remanded in custody. There is again nobody available to care for Claire and Tracy has asked that this department again accommodate her.

Recently Claire has had a more positive attitude to her future in terms of employment or education. I have referred her to Maureen Milton, Careers Key Worker, who has seen Claire, but in the present circumstances it is not possible for Claire to progress her thinking in these areas.

Amendments to Care Plan and Update

1. New accommodation urgently needs to be identified for Claire and an immediate plan put together for the coming week and subsequently.
2. Contact with Claire's family members (mother, father and sister) needs to be put on a regular footing and some efforts have been made to do this but not altogether successfully so far.
3. Claire will need a higher level of ongoing support if she needs to adjust to her mother's absence.
4. Claire will need to try to focus on her own future in terms of education or employment
5. Claire will be 16 in the summer and planning needs to recognise this.

Decision(s) of Children's Hearing

1. To vary residence requirement to delete the conditions regarding residence s. 23(9)

Reasons for Decision(s)

The breakdown of blame's previous residential placement resulted in this being today

It was agreed in the circumstances that blame should stay with Mum in the foreseeable future. Mum has a possible court appearance but no date has yet been set.

The Social Work Dept have arranged for a Bed & Breakfast establishment to be made available for blame & Mum.

The panel have asked for an early review because of the uncertainty of Mum's future and also because blame is not having any education and is not attending APEY or any group which may give some structure and direction to her.

We ask that SWD review the situation and produce a plan which will help blame on the road to adulthood

Outcome

Purpose of Children's Hearing

Review of disposal of 19 March 2002.

Present Circumstances

The court case which was expected in regard to Tracy Macintosh was initiated in Aberdeen on 7th May, when she was remanded in custody for three weeks for reports. It is anticipated that when the case returns to court on 20th May, a custodial sentence may be given.

A request for accommodation for Claire was made when I became aware of the court date. Claire's ideal would be to be offered a residential base in Inverness. However this is not, and is unlikely to be available. A foster placement in Alness was made available to Claire, but initially she declined to go. In response to her departure, Tracy arranged with her boyfriend that he would care for Claire with the support of his mother. I visited on the 7th and all three (Claire, Stewart and his mother) confirmed that they wanted this arrangement. When I visited on 9th, the situation had changed and it was clearly appropriate to take Claire with me. Fortunately the foster carers were still available and agreed to Claire going that night, which Claire too was agreeable to. She has since remained in that placement.

The placement

Mr and Mrs Brooks are experienced carers of teenagers. They have an adult family of their own and are active grandparents, as well as having a longer term placement of a boy of 13. They were available because Mrs Brooks was still recovering from . . . They have adopted a realistic approach to Claire's placement by accepting that she goes to Inverness to meet her friends on five days a week.

Claire herself has done well to accept something, which she initially felt so negative about, and in the main she has been responsible about getting her bus back. She makes no pretence of seeking to build relationships or to seek support from the adults who are available to her, and seems to find the responsibility we have to her embarrassing and inconvenient.

There have been problems arising from Claire's failure to return home as arranged on two occasions, which necessitated reporting her to the police. On both these occasions Claire was out all night. I am presently trying to find a workable solution to these occurrences.

Claire

I see Claire as a quite remarkable young person who copes with the many changes of her life through maintaining a fiercely independent if somewhat superficial approach to life.

She was clearly worried about her mother before she went away, and given her response to being in her mother's care in recent months, it is evident that they have a positive and close relationship. Her main anchor at present is her friendships in Inverness and while this is in some ways worrying, as some of these friends are regularly in trouble, Claire seems to be learning the ability to lead her life without getting into conflict with the law or others.

Unfortunately Claire seems to have little consistent motivation to use her talents to develop a path for her own future, but perhaps in her present situation this is expected a lot. Claire has a positive relationship with Maureen Naughton, keyworker in the Careers Service.

Claire has been to visit her mother in Aberdeen and a visit to Nicola is planned but awaiting the appointment of a support worker to facilitate the visit.

Conclusion and Recommendation

Claire at present has no family member able to take immediate responsibility for her. Tracy Macintosh requested that this department accommodate Claire. It seems to me most appropriate at present that Claire be made subject to a Supervision requirement at the foster care address.

Statement of Claire

Children's Hearing held as a result of child's change of placement.

Circumstances

Claire's previous social worker Karen Barrett left this team on 05.12.01 and I took over on that date.

Tracey Macintosh moved to [redacted], Inverness about the same time.

Claire was placed with Mr and Mrs Brown on 06.11.01, when her foster placement with Mr and Mrs Rogers broke down. This was ratified by a Children's Hearing on 27.11.01.

By the time I took over with Claire, Elizabeth Brown had given notice to this department that she could not continue to care for Claire and would certainly be requiring that she move before the Christmas period. This was due to a combination of Claire's difficulties in complying with the family's expectations re time-keeping and family life, and their personal circumstances.

As a result of the above, when Claire was again reported missing to the police on 12 December, through her failure to arrive home, her foster carers declined to have her returned to them when found by the police. She was accommodated at 49 Craigton Avenue that night as an emergency measure. This situation continued for the next two nights while efforts were made to find her another placement. It had however become very clear that despite the fact that Claire is generally a pleasant, polite and capable young person, she has little interest or investment in family life other than her own, and is very driven by her peer relationships. As such, she is difficult to accommodate in foster care. It was also felt by resources managers that Claire would not be appropriately placed at the Craigton Avenue house. Her accommodation there was only on a night-to-night basis.

Due to these circumstances I encouraged Claire to spend her days with her mother. Stress previously existed between them due to Claire's dislike of her mother's ex-boyfriend. This relationship has now ended. By the second day, Claire and her mother were asking if they could be found accommodation together.

In view of Claire's history since being accommodated by this department I felt that this option may well be in Claire's best interests and therefore took steps to explore this further. It was made clear by staff at [redacted] that due to other children resident there they did not feel able to offer to accommodate Claire with her mother, indeed it was made clear that her lengthy visits over these days were not viable. On Friday 4 December, Claire and her mother went to stay at Ivanhoe Guest House, 68 Lochalsh Road, Inverness.

Due to the fact that Tracey Macintosh is due to reappear in court during the coming months we have to accept that the present arrangement is likely to be temporary. However there appears to be no date set yet for the court case.

Education
Claire's attendance at Apex has varied recently, but she has mainly only attended when given a lift by her previous social worker. If her situation settles with her mother this will be another area of future work.

Family

Claire is due to visit her father and sister. I hope to fix a date early in the new year.

Conclusion and recommendation

Claire has close relationships with other young people who are cared for by this department and has often stayed out without permission to be with them. At these times her involvement with drink/drugs gives rise to concern for her safety and there have been times when she has placed herself in situations of some risk. This is clearly worrying. I need to work with Claire on trying to enable her to continue to experience the level of independence which she can cope with, while also keeping herself safe. The disturbances at night which arise from the process of reporting her missing are stressful and disturbing for the adults who are responsible for her, and have contributed to the ending of her placements. I presume that this would equally be an issue in their present accommodation.

In view of all of the above, I would suggest that it is most appropriate to remove the condition of residence from Claire's supervision requirement.

Dear Mr. Cochrane

Your Department will be well aware of the housing and social issues relating to Tracy Mackintosh. You will also be aware that this department has been accommodating Tracy's daughter Claire Mackintosh(15) who is subject to a Supervision Requirement. This week Claire's foster placement has broken down and we are struggling to provide a suitable alternative.

Also Claire and her mother are now both indicating that they feel that they would manage better if they could be accommodated together. At least in the short term, this appears to me to be a sensible solution and I am trying to explore what options may be available. One of these would appear to be B & B accommodation.

Staying at the is not an option for Claire.

When I spoke yesterday to Yvonne, there was no available B & B. I am therefore requesting that this remain an ongoing request.

Claire has been found by police and has been taken to Burnett Road.

From: Ailsa Williams
Sent: 13 December 2001 12:54
To: Murray Cochrane
Subject: Tracy Mackintosh, 6 Nelson Street, Inverness.

Dear Mr. Cochrane

Your Department will be well aware of the housing and social issues relating to Tracy Mackintosh. You will also be aware that this department has been accommodating Tracy's daughter Claire Mackintosh(15) who is subject to a Supervision Requirement. This week Claire's foster placement has broken down and we are struggling to provide a suitable alternative.

Also Claire and her mother are now both indicating that they feel that they would manage better if they could be accommodated together. At least in the short term, this appears to me to be a sensible solution and I am trying to explore what options may be available. One of these would appear to be B & B accommodation.

Staying at the 6 Nelson Street is not an option for Claire.

When I spoke yesterday to Yvonne, there was no available B & B. I am therefore requesting that this remain an ongoing request.

RE: Claire MacKintosh, D.O.B. 01.08.86

After investigating the possibility of Claire residing with family members I have come to the conclusion that there are no family members able to accommodate Claire.

Mrs MacKintosh, Claire's mother, presently resides in Bed and Breakfast accommodation. Mrs MacKintosh is presently on bail awaiting High Court appearance for an alleged drug offence. Mrs MacKintosh has informed myself that she is unwilling/unable to look after Claire.

Mr MacRae, Claire's father is presently imprisoned at Glenochil Prison and therefore unable to look after Claire.

Nicola MacKintosh, Claire's sister is presently imprisoned at Cornton Vale and is unable to care for Claire.

Claire has an uncle Neil MacKintosh residing in the local area. Claire stayed with her uncle Neil MacKintosh briefly during the summer, unfortunately Mr MacKintosh was unable to look after Claire for a sustained period.

It would appear that family members are not able to accommodate Claire.

3. RECORD OF DISCUSSION OF THE REVIEW

Change in circumstances since last review

At the last review Claire was staying with Mr and Mrs Rodgers. This placement subsequently broke down as the foster carers were fed up of Claire returning home late, absconding and being taken home by police. Claire stayed temporarily in local residential establishments until moving in with Mr and Mrs Brown, foster carers, in late October.

At the last review there was uncertainty about Ms MacIntosh's future and the possibility of Claire living with her was discussed. It now seems that Ms MacIntosh will be facing a custodial sentence so this will not be an option for Claire. Ms MacIntosh was expected to attend the Hearing but no apologies were received from her.

Karen had told Claire that she is leaving the department next week and that a new social worker, Ailsa Williams, has been allocated.

Placement

Claire no longer wants to stay with Mr and Mrs Brown and it has been mutually agreed that the placement end. Claire was unhappy about the level of pocket money she received and had several other practical complaints about the placement.

Karen commented that Claire had been much more settled since going to the Brown's, was no longer absconding and attending Apex regularly. Claire still said she did not want to continue to live there.

Claire stated regularly throughout the meeting that she wants to stay at Craigton Avenue or Leault residential units.

Education

Claire attends Apex twice weekly until March. Karen has been discussing future college placements with her but Claire has shown no enthusiasm for anything for the future.

A placement request has been made for Claire, although she does not want to go anywhere other than Craigton Avenue or possible Leault. Eilidh advised that there were other children waiting for placements who would also be considered.

Claire was told that she was not to stay at [REDACTED]. Claire said that she would stay there if she was not placed where she requested. Eilidh advised Claire that [REDACTED] might be in trouble if found to be harbouring Claire. Eilidh spent time trying to reinforce this with Claire but Claire still did not see any problem with her staying there and would not agree to comply with the request not to stay there.

Overnight contact will be discussed further with Ms MacKintosh and at the next Panel. Previously it was agreed that Claire could stay overnight with [REDACTED] and admitted she said she was staying there when she was not. Claire said she is no longer friends with [REDACTED].

Contact

Ms MacKintosh is expecting a custodial sentence from the court. Claire said that she has fallen out with her mother and has not seen her for weeks. Ms MacKintosh contacted Karen today from the Woman's Refuge saying she wants Claire to go there to stay with her. Karen had also been told that Claire accompanied her mother into the Housing Office on Friday, which Claire denied.

Claire said clearly that she does not want to see her mother at present and it was agreed that contact arrangements be made between themselves.

Claire has not seen her father or sister for some time. It was agreed that this was very important and that Anne MacLeod would discuss how this can be facilitated with Ailsa.

Health

Claire is still not registered with a dentist mainly due to her moving around so much and the problems getting an NHS dentist in Inverness. It was agreed that Ailsa would be asked to address this.

Claire has been offered a Comprehensive Health Assessment but has refused.

It was agreed that the Supervision Order continued be continued.

5. RECOMMENDATIONS/DECISIONS MADE AT THE REVIEW:

ASSESSMENT

(include accommodation, finance, employment, education, health and changes)

Claire was allocated to me in late September 2001; my assessment therefore is not in depth. Claire's behaviour has settled down dramatically since mid November 2001. Claire attends the Apex project (alternative to school) and her behaviour has been appropriate for the past few weeks. Claire is subject to a Supervision Requirement and has a condition of residence at Mr and Mrs Brown's (foster carer's) address. Claire's history is complicated and explained in the case files. To summarise, Claire's father and sister are not physically 'around' for her and her mother is likely to be away from the Inverness area in the near future for a few years, at least.

EVALUATION OF WORK TO DATE

High level of contact with Claire due to her presenting with inappropriate behaviours. Encouragement to return to Apex and to build up a trusting relationship. Support and advice as appropriate.

CURRENT/NEW OBJECTIVES

Claire requires continued support and advice and also monitoring of her situation, particularly around her peer group. Claire may need further encouragement to continue to attend Apex and to consider her future career path.

22.30 T/c from Elma. No sign of Claire. Elma agreed to report her missing.

23.11 T/c from Sgt [REDACTED]. Police found Claire. She was refusing to return to the placement. I interviewed her at Burnett Road at 00.10 on 24/10/01.

After expressing some reluctance, she appeared to accept that I had no alternative placement for her tonight. Police returned her to the placement. Claire said that Mr Rodgers sometimes drinks too much and shouts at her. While she was not keen for the Rodgers to know she had said this, she accepted that I would pass this onto relevant colleagues next working day. I told her that I would speak to Mrs Rodgers and advise that she be allowed to go quietly to bed and I would ask Claire's Social Worker to contact Claire first thing on Wednesday morning. I confirmed that she could see her SW in privacy from the Rodgers.

**GROUND'S FOR REFERRAL ESTABLISHED AT INVERNESS SHERIFF COURT ON 21
SEPTEMBER 2001**

The children's reporter has arranged for Claire MacKintosh (aka MacRae), (d.o.b.1.8.86), 162 Smithton Park Smithton, Inverness to attend a children's hearing for Highland.

The reason for this is:

- A. that Claire is beyond the control of any relevant person.

- B. that Claire is likely:
 - (i) to suffer unnecessarily; or
 - (ii) be impaired seriously in her health or development; due to a lack of parental care.

Statement of Facts

In support of condition A and B it is stated:

1. that Claire normally resides at 162 Smithton Park, Inverness with her mother, Tracey MacKintosh and her sister Nicola MacKintosh, d.o.b.27.12.83.
2. that Claire's father is Gordon MacRae, presently a prisoner at H M Glenochil Prison, Stirling.
3. that on 21 September 2000 a Supervision Requirement for Claire was terminated.
4. that since the termination of the Supervision Requirement on 21 September 2000, Claire's behaviour at Culloden Academy deteriorated. Her attendance was poor and she has not been to school since 26 April 2001.
5. that on 13 April 2001, Clare stayed out overnight without permission and against her mother's wishes.

In support of condition B it is stated:

6. that since May 2001 Claire has come to the attention of the local police on several occasions. Her behaviour is placing her at risk.
7. that Tracey MacKintosh has a history of drug abuse. She was remanded in custody in relation to a serious drugs offence on 22 May 2001.
8. that as a result of her mother being in custody, Claire went to live with her uncle, Neil MacKintosh and his partner at _____, Culloden.

9. that Claire's placement with her uncle was only temporary and she moved to stay with foster carers Mr and Mrs Rogers, Inverness on 14 June 2001.
10. that Tracey MacKintosh was released on bail in August 2001. She is facing trial relating to the supply and possession of a Class A controlled drug. If she is convicted she is likely to receive a substantial prison sentence.
11. that Tracey MacKintosh is unable to provide Claire with care due to her present circumstances.

Notes

The children's hearing will ask the child and relevant persons if they accept the reasons for arranging the hearing. If the reasons are accepted the children's hearing will discuss with the child and relevant persons what is best for the child. If any of the reasons are not accepted, the hearing may either discharge them or tell the reporter to apply to the sheriff who will decide if any of the reasons are proved.

If the sheriff decides that any of the reasons are proved, the children's hearing will then discuss what is best for the child, as if these reasons had been accepted. If the sheriff decides that no reasons are proved the case will be discharged.

Current Situation

Claire is currently placed with Mr and Mrs Brown (Foster Carer's), 80 Drakies Avenue, [REDACTED] Claire was allocated her present placement on 06-11-01.

Claire appears to have settled in well with Mr and Mrs Brown and the other members of the household. Claire shares a bedroom with another young female who is also placed with Mr and Mrs Brown. Claire and the other girl appear to get on well with each other and knew one another before Claire was placed with Mr and Mrs Brown.

Claire has recently resumed her education with the Apex project and has indicated that she wishes to continue to attend this educational provision.

Claire has not come to the Police's attention since 13th November, when she was returned to Mr and Mrs Brown's address after being reported as missing.

Claire appears to be making a good effort towards improving her situation, and will hopefully continue to do so with the support of those around her.

Ms MacKintosh continues to reside in the Crown area of Inverness, and Claire is able to visit her mother whenever she chooses to do so.

DAY TO DAY PLACEMENT ARRANGEMENTS

The purpose of this form is to record practical arrangements for meeting a looked after child/young person's needs, outlined in the Care Plan, in his/her current placement. Wherever possible, the Day to Day Placement Arrangements should be completed before a child/young person is first looked after away from home by a local authority, or changes placement. When recording the child/young person's forename(s) and family name, please state the names recorded on his/her birth certificate. If the child/young person is known by a different name(s) also record this name(s).

Health

The Arrangements to Look After Children (Scotland) Regulations 1996, Regulation 13, state that a health assessment should be arranged prior to placement if reasonably practicable.

Include:

Arrangements that need to be made for routine visits to a G.P., health visitor, dentist or optician; any health examinations, assessments, or continuing treatments for medical, surgical, dental or psychological problems; outpatient or other outstanding appointments.

Describe arrangements for health promotion, e.g., diet, exercise, smoking, drugs and alcohol, sex education and contraception and for meeting any needs arising from disability.

Outline any specialist therapeutic help required if a child/young person has been abused or suffered other traumatic events.

What arrangements will be made to meet the child/young person's physical and emotional health care needs, including any needs arising from disability? Who will be responsible for carrying them out? What will be the role of the parent(s) or those with parental responsibilities? What are the child/young person's views? Are there any needs that cannot be met at present? If so, what plans will be made to meet them in the future?

7. What arrangements will be made to meet the child/young person's education/training/employment needs? What will be the role of the parent(s) or those with parental responsibilities? What are the views of the child/young person? Who else needs to be involved in securing continuity and supporting the child/young person's education/training/employment during the placement? What is their role, e.g., liaison with school staff, transport arrangements?

Children with special educational needs will have individualised educational programmes (IEPs). Some children may need to undergo a statutory process of observation and assessment that may lead to the opening of a Record of Needs. This will help in the process of drawing up an IEP for the individual. A Future Needs Assessment is carried out on a pupil with a Record of Needs commencing two years before the young person ceases to be of school age and ending nine months before then. The period of assessment is important in helping to prepare young people to move onto adult life. It is important that parents and carers know about and are actively involved in all these processes.

Claire is enrolled at the Apex Project. Although she has not attended for the past few weeks, her place is still available for her.

Contact/Family and Social Relationships

Where there are very complex contact arrangements, they may need to be recorded elsewhere in greater detail. Please note where this is the case.

Give details of all planned contacts and any practical arrangements, e.g., transport, financial assistance. To be discussed with Social Work Services.

E.g., tracing an absent parent, or in circumstances where there has been a bereavement, helping the child/young person visit the grave.

ESSENTIAL CORE RECORD AND PLACEMENT AGREEMENT

Wherever possible, the Essential Core Record and Placement Agreement should be completed before a child/young person is first looked after away from home by a local authority or changes placement. In the case of an emergency admission, it should be completed and the agreements at the end of the form signed prior to leaving a child or young person in placement. It contains essential information and agreements for carers as specified in Schedule 3 of the Fostering of Children (Scotland) Regulations 1996 and Part 3 of the Residential Establishments – Child Care (Scotland) Regulations 1996. It should be updated regularly and checked for accuracy before each review. The top copy is for the child/young person's file, one copy should be left with the carer when placing the child/young person and the other copy is for the parent or the young person if aged 16 or over. Place the cardboard between the pink copy and the white page beneath it to prevent copying through too many layers.

This form is particularly designed to be used with a child or young person looked after away from home by a local authority, but can be used more widely.

When recording the child/young person's forename(s) and family name, please state the names recorded on his/her birth certificate. If the child/young person is known by a different name(s) also record this name(s).

Consent to Medical Treatment

Parent(s) and people with parental responsibilities should, as far as possible, be consulted at the time that their child needs surgical, medical or dental procedures or treatment. However, it is important that the local authority is in a position to take appropriate medical action if a parent/person with parental responsibility cannot be contacted and/or found. This form allows the local authority to take such action in circumstances agreed by the parent(s)/person(s) with parental responsibilities.

41. I/We, who have parental responsibilities for **Claire MacKintosh** (child/young person's name) agree to **Highland Council** (local authority) arranging the following surgical, medical and dental procedures or treatments for the above named child/young person whilst s/he is looked after by them, if s/he is not deemed by an appropriately qualified medical practitioner able to give his or her own consent.

STAIRS OF JUSTICE
Emergency Transfer Hearing due to breakdown of Foster Placement.

Current Situation

Claire absconded from Mr and Mrs Rodger's (Foster Carer's) home on Thursday 25th October 2001 and travelled with a female friend to Glasgow. Claire was found by the Police in a flat in Glasgow on Friday 26th October and returned to Inverness. Claire was accommodated at Conon Resource Centre for the weekend and was found an emergency placement at Leault, on Monday 29-10-01.

Claire remains at Leault, Abridgen, Inverness, but this placement is thought to be short term and a longer-term placement is required.

Ms MacKintosh, Claire's mother continues to reside in Bed and Breakfast accommodation and cannot look after Claire. Claire's father Mr MacRae and sister Miss MacKintosh are both imprisoned in the Stirling area of Scotland and cannot look after Claire. Claire stayed with her Uncle Neil MacKintosh briefly during the summer period, unfortunately Mr MacKintosh was unable to look after Claire for a sustained period. There appears to be no family members able to look after Claire.

At the present time the writer is awaiting information from Children's Resources in regards to an identified placement for Claire.

Grounds of referral established at Inverness Sheriff Court on 21-09-01.

Background Information

The following information has been gathered from historical reports.

Ms MacKintosh has a long history of drug misuse and there has been past concerns in regard to the effect that this has had on the home environment and the level of care offered to Claire and her sister Nicola. Ms MacKintosh began misusing drugs several years before Nicola was born. Ms MacKintosh stated that she primarily took amphetamines and about eight years ago she began to use heroin. Ms MacKintosh began several methadone programmes over the past eight years but had always returned to using heroin. In April 1998, after five months of regular contact with a support worker from Osprey House, her GP was again willing to prescribe methadone. Ms MacKintosh again began a methadone programme, however on 1st May 1998, Ms MacKintosh was arrested and found to be in possession of a large quantity of heroin. Ms MacKintosh was charged with possession of a controlled substance with intent to supply.

The Local Authority subsequently accommodated Claire and her sister Nicola. This situation followed Ms MacKintosh's imprisonment for the drug's charge. The period in Local Authority accommodation was a very difficult and unsettling time for Claire and Nicola, particularly as Ms MacKintosh was held on remand for five and a half months prior to her trial. Understandably Claire and Nicola were anxious that their mother could receive a lengthy sentence. Claire and Nicola were happy to return to the care of Ms MacKintosh in January 1999, and felt that they had been waiting a long time for their mother to be released from prison.

Ms MacKintosh was forced through a strict methadone reduction programme whilst in prison. Ms MacKintosh's methadone dose was reduced quickly and this led to fairly severe withdrawal symptoms. During the time Ms MacKintosh spent in prison she attended drug programmes which afforded her opportunities to discuss some of the issues relating to drug misuse.

Ms MacKintosh continued to be free from drug's and worked toward setting clear boundaries for Claire. In late 1999, Claire's name was removed from the Child Protection Register due to the improved home environment.

Recent History

Claire's father Mr Gordon MacRae was imprisoned at Glenogle prison for a drug related offence in early 2001. Claire's sister Nicola was also imprisoned at Porterfield prison and was released on or around 6th June 2001.

In May 2001, Claire's mother Tracey MacKintosh was remanded at Porterfield prison for a drug related offence and then was transferred to a prison in Aberdeen. Ms MacKintosh was released from Inverness prison on bail in August 2001, and is due to appear in Court within a few months time.

looked after Claire. Unfortunately, the situation was not viable for Claire's long term care and Claire was placed with Mr and Mrs Rodgers, Foster Carers, in June 2001.

The writer has only become involved with Claire's situation since 26th September 2001, but has been informed by many professionals that Claire's mother Ms MacKintosh has a very caring attitude towards her daughter, and wants Claire to have the best future possible.

Current Situation

Claire continues to reside with Mr and Mrs Rodgers at Kinmylies. Claire's father Mr MacRae is incarcerated in Glenocle prison, Claire's sister Nicola is incarcerated in Cornton Vale prison. Ms MacKintosh remains in temporary accommodation whilst awaiting Court appearance.

The writer has spoken with Claire and Mr and Mrs Rodgers. Claire informed the writer that she is happy to reside with Mr and Mrs Rodgers, that she sees her mother Ms MacKintosh as and when she wants to. Claire states that she feels settled with Mr and Mrs Rodgers and would like to continue to reside with them. Mr and Mrs Rodgers stated to the writer that they are happy to have Claire living with them.

There have been issues concerning Claire since she was placed in Foster Care. Claire has had involvement with the Police and has been reported missing on several occasions. Mr and Mrs Rodgers have acted appropriately in regard to reporting Claire missing. Claire usually lets Mr and Mrs Rodgers know that she is safe, and usually whom she is with, a female friend who is approximately 11 months older than Claire.

Mrs Rodgers stated that Claire is generally thoughtful in regard to her carers and that she presents with no problematic behavioural issues whilst at Mr and Mrs Rodgers home.

Mrs Rodgers has indicated that Claire's sister Nicola has telephoned for Claire on several occasions, and that Nicola looks forward to Claire visiting her at some point in the near future.

Claire

Claire presents as an articulate, pleasant young person. Claire appears to be open and honest when talking with the writer and has a confident manner.

Health

Claire has no medical issues in regard to her general health. Claire is over due for orthodontic treatment and the writer is monitoring this situation.

Relationships

Claire has frequent contact with her mother, Ms MacKintosh. Claire states that she gets on very well with her mother and enjoys seeing her. Claire states that she misses her sister

and her father Mr MacRae, in their respective places of residence.

Claire states that she gets on with Mr and Mrs Rodgers well, Mr and Mrs Rodgers confirm this statement.

Education

Claire attends the Apex Scotland project for two days during the week. Claire also attends Limetree Out of School provision, for one hour per week.

The writer has spoken with the manager of the Apex project, who stated that Claire is a very pleasant young person. Unfortunately, Claire has not attended at Apex for 3 – 4 weeks. When Claire is at Apex, she is stated to be excellent at her work, Claire was stated to present with no problems, and accepts the rules and guidance without issue. Claire informed the writer that she enjoys going to Apex and that the people there are 'sound'.

Claire does not know what she wishes to do when she is old enough to leave education services. The writer has discussed going on to college or employment with Claire, Claire is unsure as to what she wishes to do in regard to her long term plans at the moment.

Placement

Mr and Mrs Rodgers are Foster Carers who have been assessed by Highland Council as fulfilling the requirements for Boarding Out Regulations.

Conclusion and Recommendations

Claire states that she feels settled at Mr and Mrs Rodgers home. Claire has, at the moment, frequent contact with her mother Ms MacKintosh. Claire has no direction in regard to her plans for the future. Claire is still getting in to minor trouble with the Police, for being reported missing etc.,

Claire's father and sister are presently unable to support her, due to their situations. Ms MacKintosh is due to appear in Court in the near future and it is possible that she will be incarcerated for an alleged offence. This situation is likely to cause Claire upset and a lack of family support and contact.

Claire is stated to be a pleasant young person and with support and encouragement could reach her potential for employment and independence.

With the above in mind, the writer respectfully recommends that Claire MacKintosh is made subject to a Supervision Order, with a condition of residence with Mr and Mrs Rodgers attached.

DETAIL RECORD

CLIENT NAME CLAIRE HACKINTOSH..... REFERENCE NUMBER.....

to 16.10.01.

Claire has still not appeared, after being reported missing late on Sunday night.

From phonecalls with the Rogers and police, it seems that Claire is around the vocal hants eg [redacted] house, and the town centre, and has been in phone contact with the Rogers.

Attended Children's Hearing. Met Tracey, who had been into town centre hoping to find ~~her~~ Claire. ~~It~~ but went ahead in her absence + a warrant was issued.

later that evening [redacted] contacted the Rogers on Claire's behalf, and Claire was later picked up by the police, who seem to have been unwilling to detain her at the police str., and she was returned to Mr + Mrs Rogers about midnight.

17.10.01. Informed reporter of above. A series of phonecalls followed. Claire left until after 1.00.

A hearing was arranged for 4.00 pm on 17th. After various conversations we agreed that I would not visit before the hearing, the Rogers are quite willing to continue with Claire - bottom line seems to be that they need her to be more co-operative re coming in at night + they need not to have

The phonecalls in the early hours of the morning.

Mr + Mrs Rogers talked with Claire when she got up.

They reported that Claire is finding Apex too boring - that's why she does not go. Claire is also willing to stay with them + to comply with requirements.

Mrs R. then allowed Claire to go into town + arranged to meet outside the Hearing Centre.

Claire turned up as agreed (with [REDACTED]

[REDACTED]). Tracy indicated to me that Claire does not like being at the Fordyce's and she feels they give her too much freedom. However none of this emerged at the panel.

A supervision Order and condition of residence was agreed.

The panel members expressed their view that Claire's educational input needs to be reviewed - is there an alternative to Apex? In view of the fact that [REDACTED]

home situation is in crisis, continuing overnight with her are no longer an option, however mum indicated she can stay with her on occasion (I later learned that mum lives ~~with~~ in a bed-sit with a boyfriend so this is not likely to be an option).

Claire was in a hurry to get away to meet her friends. She did not return as agreed

+ was again brought back by the police in the early hours of the morning.

18.10. Spoke to the Rogers + advised them to be very firm with Claire today. Friend [REDACTED] last night - this may be [REDACTED] for Claire.

NOTES DUTY

Thursday 20 September 2001-09-20

Claire Mackintosh

douglas rogers foster carer received a phone call from Clare's father, Goordon Mcray saying that he is coming up from Perth Prison for a court hearing on Friday 21 September. Mr Rogers wanted to know if the hearing was definitely on the 21 September as Clare had thought it was the 15 th October. She had said she would walk up to court anyway. Mr Rogers thought that she might be wanting to get out of going to Apex and asked if the date of the hearing could be confirmed. Also said that Clare is going to Aviemore with Apex next week from Monday 24 to Wednesday 26 September. Clare said she needed to be back early as her mother had given her permission to stay overnight in Edinburgh with [REDACTED]. Mr Rogers did not think that this was true. They have tried to get hold of mum, with no success. y

Spoke with Wendy allman who stated that permission cannot be given for Clare to go to Edinburgh without speaking with her mother first. Also Clare's behaviour has not been appropriate enough toward a trip to Edinburgh. Advised to try to contact mum. Also to speak to Norma to get address so that we could write to mum. Social Worker Karen Barrat is takeing over the case next week and will make contact with Clare and Mr and Mrs Rogers.

Telephone call to children's reporter. Reception staff confirm that the hearing is on 21 September at 2.15. Hugh Stracken to sepak to Perth Prison to see if Mr Mcray needs to attend.

Call to family resource centre in Cannon to speak to Norma. Out of the office, will call back tomorrow.

Telephone to the Rogers family to confirm hearing date and time. Clare has been coming in on time but still fails to attend Apex regularly. Possibablit of a college course 2 days a week. in on time at weekends 10:30 and 11.45 college as well as apex atendance poor at apex..

Detailed Recording – Claire MacIntosh

13/8/01 T/c from [REDACTED] (mother's partner) re Claire- he feels that foster carers (Rodgers) are colluding with Claire. On Friday 10/8/01 night, Claire was apparently out all night and was not reported missing. Then on 11/8/01 the foster carers were ringing him and Claire's mother repeatedly until the early hours of Sunday am. They feel that SW are not ensuring that Claire is kept out of trouble. I suggested that I would speak with foster carers to see what they were saying, but stated that I have had previous contact with the couple and have never known them not to report a child missing if they failed to return at specified time at night (which for Claire is apparently 10pm).

T/ to Elma Rodgers – on Friday night, Claire had asked to stay the night with [REDACTED] and had stated that both [REDACTED] and her mum were aware and in agreement with arrangement. Elma agreed to it, hence why she was not reported missing. Was not aware that Claire had then chosen to go elsewhere overnight. Elma is now aware however, and knows to check with friend's mother and Claire's mother. Regarding Saturday night, Claire was reported missing when she failed to return at agreed time. Was picked up and taken back to the Rogers at approx 1am.

T/c to family to let them know about above t/c.

In general however, family are still not happy with the fact that Claire is going down the same route as her older sister and mother and will soon be in jail! Family want to know that Claire is in safe hands and is being guided by good carers who can care for Claire.

RE: Claire MacKintosh, D.O.B. 01.08.86

After investigating the possibility of Claire residing with family members I have come to the conclusion that there are no family members able to accommodate Claire.

Mrs MacKintosh, Claire's mother, presently resides in Bed and Breakfast accommodation. Mrs MacKintosh is presently on bail awaiting High Court appearance for an alleged drug offence. Mrs MacKintosh has informed myself that she is unwilling/unable to look after Claire.

Mr MacRae, Claire's father is presently imprisoned at Glenochil Prison and therefore unable to look after Claire.

Nicola MacKintosh Claire's sister is presently imprisoned at Cornton Vale and is unable to care for Claire.

Claire has an uncle Neil MacKintosh residing in the local area. Claire stayed with her uncle Neil MacKintosh briefly during the summer, unfortunately Mr MacKintosh was unable to look after Claire for a sustained period.

It would appear that family members are not able to accommodate Claire.

Dear Claire

I am just writing to confirm the decisions of your recent review, which were as follows: -

1. Your placement with Mr & Mrs Rodgers continues to be available for you.
2. Mrs Rodgers will clarify if you have been allocated another dentist with a view to you being able to see the orthodontist again.
3. You can have a comprehensive medical assessment. Social Work Services will discuss this further with you.
4. Social Work Services will look at the possibility of you having regular contact with your dad and sister at Cornton Vale whilst you are being looked after. If your mum does receive a custodial sentence the possibility of family visits taking place will be discussed.
5. Mrs Rodgers may be able to support you to visit your sister at Cornton Vale before school starts.
6. It is planned that you will attend APEX and Limetree Education Unit once the school term re-starts.
7. You can stay at your friend [REDACTED] overnight. Mr & Mrs Rodgers need to be kept informed of any arrangements made.
8. At the moment you will continue to arrange your contact with your mum and may on occasions stay overnight. Mr & Mrs Rodgers should once again be kept informed of arrangements.
9. If your mum does not receive a custodial sentence it is planned that she will take another Council house tenancy and that you would return to live with her.
10. A further review has provisionally been arranged for 8th November 2001. If your mum does get a custodial sentence, Social Work Services will explore the possibility of the review taking place at Cornton Vale Prison.

If you wish to discuss these decisions further please feel free to contact Wendy Allman, Acting Team Manager on Tel: 01463 791338. INITIAL REPORT AND RECOMMENDATIONS

Interview of Claire Mackintosh at [REDACTED] on 24.07.01 at 4.45pm.

Claire said that towards the end of June 2001 she had started to spend more time with [REDACTED] at [REDACTED]. She said that [REDACTED] took her in to see Mr [REDACTED] and he frequently gave them cigarettes and money for bus fares.

Claire stated that Mr [REDACTED] seemed to develop a "fancy" for her and suggested that they get engaged. Claire pointed out that she was only 14 but he is reported to have said that they could get married on Claire's 16th birthday. Mr [REDACTED] has bought gifts for Claire i.e. a bottle of Chanel No 5 perfume and is alleged to be buying her an engagement ring.

Claire stated that Mr [REDACTED] had masturbated in front of her on at least 2 occasions. On the first occasion [REDACTED] were also present. The first incident was alleged to have taken place during the day and Mr [REDACTED] began to remove his clothes. At this time he was alleged to have told [REDACTED] to "fuck off" and asked Claire to accompany him to his bedroom.

It seems that Claire advised Mr [REDACTED] that the others present had left the flat and Mr [REDACTED] then asked Claire to join him on top of his bed. Claire alleges that Mr [REDACTED] began to masturbate at this point and she and her friends watched Mr [REDACTED] until he ejaculated.

Claire states that they called Mr [REDACTED] a pervert at this time and left his flat, leaving him lying semi-naked on his bed.

A few days later, Claire states that she returned to Mr [REDACTED] home. Also with her on this occasion were [REDACTED]

A similar scenario developed on this occasion as had done previously – Mr [REDACTED] asked Claire to join him in the bedroom, removed his clothes and masturbated in front of her and her friends.

Claire states that after Mr [REDACTED] had "finished" she told him that she would tell the police.

Mr [REDACTED] is alleged to have said, "I'll give you £20.00 to keep your mouth shut" and produced a £20.00 note from his wallet.

Claire states that she took the money and gave it to her friend [REDACTED] and they "spent it on the bandits".

Recommendation

Claire is currently accommodated with Highland Council foster carers Mr & Mrs Rogers in

She is very settled in the placement and has chosen to remain there whilst her mother is on remand in the community. Norma Goodwin, Claire's Social Worker, has discussed the level of risk Claire placed herself in when she returned to Mr [redacted] home after the first incident and it is hoped that Claire now realises this herself.

In view of the fact that Claire has already been referred to the Children's Hearing for consideration of compulsory measures of supervision I would recommend no further action in this instance.

Looking After Children in Scotland: Good Parenting, Good Outcomes

CARE PLAN

Local authorities are required under Regulation 3 of the Arrangements to Look After Children (Scotland) Regulations 1996 to make a Care Plan for each child looked after by them. The Care Plan helps you make arrangements for a child/young person's future. It links closely with the Essential Core Record and Placement Agreement and it is therefore important that this is kept up to date. Wherever possible, the Care Plan should be completed before a child/young person is first looked after away from home by a local authority or in the case of an emergency admission as soon as practicable after a placement has been made. Normally the child/young person and his/her parent(s) should be involved in drawing up the Care Plan.

This form is particularly designed to be used with a child or young person looked after away from home by a local authority, but can be used more widely.

When recording the child/young person's forename(s) and family name, please state the names recorded on their birth certificate. If the child/young person is known by a different name(s) also record this name(s).

This date should be the same as at Question 21.

Your answer should include any period of home supervision prior to being looked after away from home.

1. Forename(s)

Family name

Known as

2. Gender Male Female

3. Date of Birth Day Month Year

4. Date of this Care Plan Day Month Year

5. Please indicate the legal basis for the current work with this child/young person

6. If there have been previous Care Plans during the current looked after episode, what were the reasons the child/young person first started to be looked after?

If siblings are also being looked after away from home, note whether they are placed together. If not, explain why, e.g., lack of suitable placements.

7. Why does the child/young person need to be looked after now? Are there additional resources which might have prevented the child/young person needing to be looked after away from home? If so, what are they and why are these resources not available? Has living with relatives/close family friends been explored as an alternative to being accommodated by the local authority?

No FAMILY MEMBERS ABLE TO LOOK AFTER CLAIRE.

8. The following people should be consulted in the formulation of this Care Plan; the child/young person, his/her parent(s)/person(s) with parental responsibilities, his/her carer(s) and other agencies/relevant persons. Please detail the consultations below. Include reference to any relevant written reports which are available on the child/young person's file.

Name/Role	Date Consulted	Method	Outcome (or explain why not consulted)

Section 17(4)(b), C(S)A 1995 states that the local authority shall, as far as is practicable, ascertain and have regard to the views of the people outlined in Question 8.

9. Has a full assessment of the child/young person's needs been undertaken and recorded on his/her file?

Yes No

If no, when will this be completed? Day Month Year

Consider long term needs here. The arrangements for meeting them should be worked out in the Day to Day Placement Arrangements.

Wherever reasonably practicable, the local authority should obtain a written health assessment by a registered medical practitioner on the state of the health of the child/young person and his/her need for health care prior to being looked after (Reg. 13(1)). There is no legal requirement for subsequent health assessments during placement but the possible benefits of this should be considered for each child/young person.

10. Based on this assessment, what needs does the child/young person have that the period of being looked after away from home should meet? (Where a full assessment has not yet been completed, this part of the Care Plan should be filled out on the basis of information available to date, but reviewed once the assessment is completed). Consider all the following issues:-

Health. What needs does the child/young person have in respect of physical, mental or dental health conditions, illnesses or disabilities? Does s/he have any special dietary requirements? Does s/he require regular health assessments? Please specify.

DENTAL WORK REQUIRES ATTENTION.

Education. What learning/education/training/employment needs does the child/young person have? Has an education plan been established with his/her school? If not, when will this be completed?

CLAIRE IS ENROLLED AT THE APEX PROJECT BUT REFUSED TO ATTEND.

Identity. What needs does the child/young person have in developing a positive identity? Consider issues regarding gender, disability, sexuality, religion, culture, language, self-worth, knowledge and understanding of own and family circumstances.

AGE APPROPRIATE GUIDANCE.

If sibling(s) are also looked after away from home but in separate placement(s) include details of any plans to re-unite them, or explain if there are no plans.

Family and Social Relationships. What needs does the child/young person have with regard to developing/maintaining/changing relationships with parent(s), siblings, other relatives and friends?

CLAIRE HAS CONTACT WITH HER MOTHER TRACEY MACKINTOSH WHENEVER SHE DESIRES.
CLAIRE'S FATHER, MR MACRAE AND SISTER NICOLA MACKINTOSH ARE PRESENTLY IN PRISON'S IN THE STirling AREA OF SCOTLAND.

Social Presentation. What needs does the child/young person have with regard to his/her presentation or skills in social situations?

Emotional and Behavioural Development. What emotional and behavioural development needs does the child/young person have?

CLAIRE REQUIRES SET BOUNDARIES AND ENCOURAGEMENT TO ADHERE TO HOUSE RULES.
CLAIRE HAS A RECENT HISTORY OF ABSCONDING BEHAVIOUR.

Self-Care Skills. What needs does the child/young person have in developing self-care skills?

AGE APPROPRIATE

11. What overall outcome is planned for this child/young person? What is the intended timescale for achieving this outcome? How will this outcome meet the child's identified needs? What is the contingency plan if this outcome cannot be achieved?

FOR CLAIRE TO HAVE A SETTLED ENVIRONMENT IN A FAMILY BASED PLACEMENT OR SMALL FAMILY UNIT.
FOR CLAIRE TO RESUME EDUCATIONAL SERVICES.

● return to family, live permanently with relatives or friends, adoption, semi-independent living in the community, remain at home supported by a series of short-term respite placements?

12. What type of placement is likely to achieve this outcome? If the child/young person is not yet placed in such a placement, what needs to be done to achieve it? How will other agencies be involved? What is the next best alternative if this placement cannot be achieved?

A FOSTER FAMILY PLACEMENT OR SMALL FAMILY TYPE UNIT.

● E.g., residential care, residential school, secure unit, short-term foster care, long-term foster care, respite foster or residential care, lodgings, hostel, tenancy, adoption.

The details of contact arrangements eg. times, venues, transport should be recorded in the Day to Day Placement Arrangements. Record here the broad plan and what it aims to achieve.

13. What are the current/intended contact arrangements with family/friends? How will these arrangements progress the Care Plan? Are the parent(s)/person(s) with parental responsibilities in agreement with these arrangements? Do they need to be changed and if so, how will this be achieved?

CLAIRE IS ABLE TO HAVE CONTACT WITH HER MOTHER AT ANY REASONABLE HOUR.

ARRANGEMENTS ARE REQUIRED TO ALLOW CLAIRE TO VISIT HER FATHER AND SISTER IN STIRLING.

14. How do the current legal arrangements support the Care Plan? Do they need to be changed and if so, how will this be achieved?
