Dear Rebekah,

Individual Rights Request (Subject Access Request)- James Wilson

In respect of the subject access request (SAR) received by the Scottish Courts and Tribunals Service (SCTS) from NRS on 24th March 2026 that is a request on behalf of James Wilson.

I have considered this request in accordance with Section 45 of the Data Protection Act 2018 (DPA, 2018).

It requested:

‘...We are writing to make a Data Subject Access Request under the UK GDPR and the Data Protection Act 2018. As part of our client’s application to the Redress Scheme Scotland. We request access to records that you hold for our client...’.

With the information provided, I searched our criminal case management system which held no relevant information.

I then consulted NRS who advised that the relevant court records that cover the correct time frame, location and age of offender are unavailable.

As a result we are unable to provide any information. I am sorry that I cannot be of more assistance on this occasion.

Should you have any concerns or questions regarding this response, please do not hesitate to contact the Data Protection Officer:
