Subject: William Reid Application Submission

Dear Redress Scotland Team

Please find attached the pro forma and components of the Redress Scotland application on behalf of a survivor of historical abuse in care.

Applicant Details:

NAME: **William John Reid**

DOB: **19/03/1963**

We can confirm our client does not have a terminal illness and has no relevant previous criminal convictions. You will note that the certified documents are signed by Matthew Reynard.

As explained by Mr Reid in document 2, this application will not be supported by a supporting statement as the only people the survivor discussed his experiences in care with was his parents who have since passed away.

Evidence

Document 5.1 'DSAR evidence - Barnardo's combined care records' is too large to be sent via email. I have therefore uploaded this document to the Redress Portal. Please confirm that this evidence has been received.

Please confirm whether the documents provided can now be presented to the panel for consideration. Should you require any clarification, or additional documentation at this stage, please don't hesitate to let us know.

Kind regards,

Sam Morris
