Ritchey very difficult to get out of bed this morning. Told warden that he was watching ice-hockey until 5am today. Advised Ritchey that if he was not able to be sensible about times he watched TV then it may require to be removed. Advised Ritchey to be more sensible in future to avoid necessity of TV being removed from his room.

Ritchey very grumpy all morning. Managing to hold it together but grudging at staff throughout.

Richard well behaved, out on activities, attempted to phone his mother but her phone has been cut off.

n/s Report : A quiet and settled night. Ritchie asleep till 2-30am.

Planning meeting today with S/LW + [redacted] 2pm

Ritchie got argumentative with [redacted] this morning. Ritchie was basically trying to undermine her by stating he was going out this evening. I then informed Ritchie that his attitude and behaviour was inappropriate. He eventually settled after he spent a period of time out. [redacted]

2-25pm Meeting went ahead without Munn, who was under the influence at home. S/LW will check out the house on wed to see if leave can go ahead. Ritchie was ok with this. [redacted]

Ritchie had a good day after this morning's incident. Due to atmosphere in unit & need to divide the group Ritchie was allowed at an activities. He was excellently behaved before, during & after activities. [redacted]

10.30pm Ritchie very unsettled between 10 10 & 10 30pm. When fire alarm went off he became very unsettled & went over to Mallaig & did not acknowledge staff's request to return to building, threw something at Mallaig's window. 15 Mins t/O to complete in Morning.

NIS: RITCHIE IN A NEGATIVE FRAME OF MIND AND VERY CHALLENGING AT THE START OF THE SHIFT. EVENTUALLY TURNED THIS AROUND AFTER BEING ASKED TO LEAVE THE UNIT BY TWO OTHER BOYS (MD + AME) AS HE DID NOT WANT TO LOOSE HIS HOME LEAVE [redacted]

Ritchey in from school & completed 30 mins tlo after some deliberation (this had been ongoing since lunch time). Completed tlo successfully.

Ritchey did not have a good evening & spent a considerable amount of time completing tlo due to winding up the ylp (spoke at length) with Ritchey about this behaviour & how it would have negative consequences for him in terms of promotion should it continue.

Ritchey complaining of feeling unwell. Is quite hot, says he feels sick & has shooting pains in his chest. Checked with Duty Senior, taking Ritchey to A+E at MDCAT.

E.C.G. & various other checks carried out by medical staff at MDCAT. Outcome is that Ritchey has an irritation between 2 layers of his lung. This may result in discomfort for several weeks. If pain persists he should see his own G.P.

WEEK 11

Ritchie in School today. however, he still looks unwell and he has a temperature. I will inform the keyworker of this

Ridie feeling really unwell to begin with. Went to bed for a wee while, didn't want any dinner. Richey perked up later on and participated in Keytime and later again in a game of 2 man hunt.

Keytime

Richey + I discussed his ill health + I spoke with Richey's mum on the telephone I advised that if he was still ill in the morning we'd allow him to go home before school. We discussed also Richey's target for increased leave. [redacted] is quite keen for extra leave to happen.

Richey is trying to achieve targets. However his school targets require a wee bit of work still.

10-00pm - A good evening in the unit. He has settled well for bed.

Nts - A quiet and settled night for Ritchie.

12:10 Phoned Ritchie's mum - informed her of previous night's incident - she was not aware - apologized - stated Ritchie is safe and that it may have been a reaction to him being unable to go home yesterday as he felt ill - informed her that policy would normally be to hold leave back a day after this - but that Sharon would deal with that and phone her back - [redacted] quite happy with this. (our decision) [redacted]

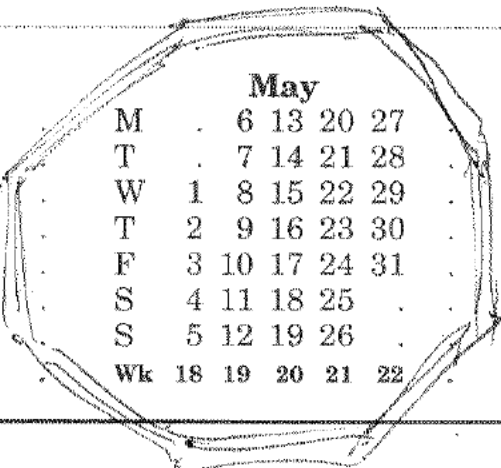

12:15 Phoned Ritchie's S.W. - Impress upon Ritchie that it's only because of his good behaviour that we are treating this as a hiccup - but the review is imminent and this will be discussed there [redacted]

3.15 Ritchie out on <sup>overnight</sup> access [redacted]

12 noon T/c to Ritchey's Gran, asking her to contact [redacted] [redacted] rang very shortly afterwards (her mobile isn't working). Ritchey left us but she thought he would have ~~eg~~ arrived by now. Discussed strategies including taking leave from him as a consequence for lateness. [redacted] agreed to this & advised that should this be necessary then ~~note~~ I will advise her by leaving word at his Gran's.

12.50pm. Ritchey returned. When asked for a reason for his lateness Ritchey advised there was none. I spoke with Ritchey & advised he will be held back tomorrow afternoon for leave. We also discussed this matter further. Consequences for latecoming are as follows:-

- 1) Ritchey late but in before 11am - held back next leave by that amount of time
- 2) late but after 11am - 1 night's leave removed.
  - F late Thursday - no leave following Wed
  - F Monday - No leave following Friday.

Richey is aware of this & is not best pleased about it. However in terms of his education it is vital that he makes more of an effort.

\* Anger Management

Richey has now attended only 2 out of five group sessions. Unfortunately he will now not be able to continue with the group as he has missed too much work. (~~1 point deducted~~) This decision was reached through discussion by all Group Tutors and in relation to boundaries set prior to commencement of the group.

Richard well behaved throughout evening. [redacted]

10.25pm: Ritchey left unit.  
 11.25pm: Ritchey returned to unit by [redacted]. T/c to sit in morning.
