

Dear, whoever this may concern, I
am writing this support letter for my
my wee bro mark, who I love deeply
with all my heart. I write this from my
memories as a child, as a L.S. woman now!
It hurts to the core of my heart as I write
this, I'm shaking, my pulse and heart is racing!
This is his + my TRUE STORY!!
We just buried my 41 year old sister last
week + my big bro died last year at
46! Just me + mark left! TONY
VALLANCE + RAYMOND HARVEY!
ARE CHILD SEXUAL ABUSERS!
THIS support letter was initially to
support MARK with his Abuse in
Care and I was asked / requested
by his lawyer or whoever it was
on whatsapp, but now, I'm writing
this to get my TRUTH OUT! FOR
ALL my SIBLINGS! Kevin + Michelle
are now dead! And I need to
be the one one who speaks up
for us all! They died because
they got abused all their lives and
turned to drugs for support! I DON'T
even know where to start! Michelle
her dad TV! He IS THE ROOT
CAUSE of US All being like
this! He is an abusive, manipulative,
thieving, weirdo, coercive ARSE!!
~~GRANDPA~~!!! He should not
have Aileen imprisoned!! Or me

he knows not to touch her inbrecently
C02 he knows nowadays he want
get any with it! his daughter
is now gone and most of its his
But C02 he gooned her from a
young age. She didnt know any
better! Beautiful little sister I had
and he ruined her! My mum
was a quiet lass when he met
her, people thought he took us young
kids & single mother on and he was
a saint! was he fuck! Ruined
my mum & us kids! My big bro
put in cone, abused me & mark!
michelle got everything, (some thought
but he then pimped her out as a
teenager etc) Cunn!

This letter is meant to support
mark, but I hate having to remember
everything, mark was beat up,
cold baths, put in cone, which I
think Tony wanted coz he didnt
like males sticking up for themselves
& confronting him!

Mark got put in care in
Ounston house & Melville house
I was put in Foster Care, Inverkeithing,
dunfermline, kirkcaldy, carleiden,
but when mark was in carehouse
he got home at weekends when
I was still at home as my mum
although I ran away all the
time, I'd come home to see my wee
bro,

I LOVE MARK!!!
When mark was in care, he got
abused there too! Meant to be a Salvation
so social work say I take away from me
family away from abuse, but to be a bit
more from men! Carers, people who
are meant to be trusted! But no mark
got abused MORE!! Fkn CURS!!
my wee bro was just a wee
boy, he didn't grow, just wee mark
wee Jimmy! But took him away from
me and he got abused more by big
men! He got home at weekends &
Sometimes I'd be there if I hadn't ran
away to get away from TV or RL!

Mark was a wee lost soul, still
peed the bed & got ridiculed for it!
no I asked why TLAUGH!!! Grrrr!!

my younger brother Mark was sexually,
physically + emotionally abused from a young
age, in the family home and at school at
Overton. I'm unsure about Melville house.
I was abused as a child in the family
home too and I also witnessed Mark
being abused. It started with our little
sisters dad Tony Valtance, he would make
myself + mark fight each other with
hooves etc, he put mark in a freezing
cold bath + his lips were going blue +
shivering, he made me + my sis Michelle
watch. he then put me + michelle in a
hot bubble bath as mark stood naked,
freezing + trembling. We would be locked
in our rooms, hungry + thirsty, whilst
partying was going on the house. I time
myself + my big brother stole grapes from
the kitchen to feed them to mark +
michelle, we were caught and me + kevin
got the belt over the bare bum multiple
times. We witnessed my mum getting her
up by Toni + mark would climb out
window to go get a neighbour. Mark
put into a care home + abuse happens
there, he told me 1 time that a teacher
tried to run him over in his car
grabbed him + punched him.
~~Mark came home at weekends as a~~
~~and I caught~~

I also caught Mark at Raeburn
house in the living room and he

Seeing Tony dix! I was so sad
and shocked but didn't say anything as
I had to do that Tony on several
occasions.

This has had a great impact on Mark's
life. From feelings of abandonment + hurt,
to addiction of heroin, crack cocaine,
alcohol ketamine and other substances,
Mark is not a happy person anymore.
I really worry for him. I love him
so much. The abuse he has endured
over the years is disgusting, as a
man I don't think Mark has been for
any counselling to help, or does he talk
about much to me anymore, as we both
know what we suffered, he has had
anxiety + depression due to this.

Mark about 44 extended from primary
school - overdone - acting as if behavior
because of abuse
older boy + burst took what care
his running + come to
close to big bro in Rimbinton!
Mark would do the same!

Chastise in his other, Restrained
not in kept manner - told down it
I said I'd claim for him!
Down to me! wouldn't help
