Extract from Social Enquiry Report dated 04/02/00 as found in JC31/2000/389:

‘(REDACTED)

Social work and Children’s Panel involvement steadily intensified to statutory supervision and eventually resulted in a residential placement. Care records indicate that Mr Hutton spent several periods in care from age 13-16 years.

(REDACTED)

His secondary education began at Merksworth High School and was completed in local authority residential schools where he was placed due to behavioural problems which were reflected in school, community and family settings.
