Why you have paid too much tax

Each year we check everyone's tax position to see if the correct amount of Income Tax was paid. We have now looked at the latest information we hold for this year and have worked out that you have paid too much tax. We provide a full calculation **and** explanation in this document.

Please check this calculation

You must tell us if you think the information we hold is wrong or about any changes to your taxable income. Please see the notes.

You don't need to call us

The Personal Tax Account is the new way of managing all of your tax affairs. Use this to see more information, make sure you're paying the right amount of tax, and tell us about in-year changes. Save paper by signing up for our paperless service. You'll get an email notification when something changes and you can keep all of your information secure in your Personal Tax Account.
