Your statement for additional care settings

In Part 1, you will have already provided information about the care settings you were abused in. By providing this information here, your case worker can join together the name of the care setting with your statement of abuse.

Q1 | What is the name or location of the relevant care setting you were abused in?

(For example, the name of the care home, or the city or region where you lived in foster care or while boarded out).

rimbleton house glenrothes

Do not worry if you are uncertain about dates or time. Please provide your best estimate.

Q2 | When were you abused?

For example: a single date, an age, or an approximate time or time range.

1991

You do not have to provide names, if you cannot remember or do not feel comfortable doing so. If you do provide a name it will be passed to Police Scotland.

Q3 | Who was involved in your abuse?

For example: a member of staff, a peer or someone outside the care setting.

The information you provide will be used by Redress Scotland to make a decision about your application. Redress Scotland will use the "Assessment framework" to help them do this, available on [gov.scot](https://www.gov.scot). Please be aware that it contains graphic descriptions of abuse.

Q4 | On the next page, please provide as much information as you can about:

- the abuse you experienced while living in this care setting
- what life was like for you during this time
- how the people responsible for your care and welfare failed to carry out that duty (within or beyond your care setting)

You can continue on additional pages if you need to.

Part 2 of the application form provides more information about what you may want to include.

Your statement for additional care settings

I was taken out of my gran's care because they said I was out of control. Looking back, I don't believe that was the right decision. I suffered far more abuse in that care placement than I ever did living with my gran. If I had been allowed to stay with her, I truly believe I would have been fine. Instead of getting the support I needed, I was placed somewhere that caused me even more harm.

Whilst I was at the school, I was sexually abused by the maths teacher, Mr Bell. He abused me in the kitchen and also attempted to abuse me in the classroom. He took me into the kitchen and forced me to have sex with him when I was only 13 years old. I remember feeling frightened, powerless, and completely unable to stop what was happening.

I was also physically abused by other members of staff. They would restrain me, and the force they used caused me pain. Instead of protecting me and making me feel safe, the staff were the people who caused me the most fear and harm.

I went through more abuse in the 4 weeks I was here than I would've had my whole life in my grans care. They were predators, horrible, horrible people.
