Your statement for additional care settings

In Part 1, you will have already provided information about the care settings you were abused in. By providing this information here, your case worker can join together the name of the care setting with your statement of abuse.

Q1 | What is the name or location of the relevant care setting you were abused in?

(For example, the name of the care home, or the city or region where you lived in foster care or while boarded out).

Foster Care

Do not worry if you are uncertain about dates or time. Please provide your best estimate.

Q2 | When were you abused?

For example: a single date, an age, or an approximate time or time range.

1998-2000

You do not have to provide names, if you cannot remember or do not feel comfortable doing so. If you do provide a name it will be passed to Police Scotland.

Q3 | Who was involved in your abuse?

For example: a member of staff, a peer or someone outside the care setting.

The information you provide will be used by Redress Scotland to make a decision about your application. Redress Scotland will use the "Assessment framework" to help them do this, available on [gov.scot](https://www.gov.scot). Please be aware that it contains graphic descriptions of abuse.

Q4 | On the next page, please provide as much information as you can about:

- the abuse you experienced while living in this care setting
- what life was like for you during this time
- how the people responsible for your care and welfare failed to carry out that duty (within or beyond your care setting)

You can continue on additional pages if you need to.

Part 2 of the application form provides more information about what you may want to include.

Your statement for additional care settings

When I was placed in this Foster Care I was around 5/6 years old.

I suffered Physical and Emotional abuse alongside neglect.

My foster parents would stop our contact with my birth parents if we misbehaving. I witnessed my brother be dragged across the house, from the kitchen to another room which he was then put in and locked in from the outside of the room.

When we told the social worker about this room and the locker, our foster parents called us a lair and said that this room didn't exists/have a lock on.

I would also watch the foster family eat the food they freshly got that day whilst not giving us any. We would get different foods compared to them.

Me and my sister would always be scared to be bathed in this house as our foster parents were intimidating. Unless social workers brought us clothes, we had to wear whatever they had. The clothes provided would were worn down compared to the other kids who were dressed nicely.

I remember one time my sister asked for some form of uniform for school in which she was shouted at to be grateful for.
