Your statement for additional care settings

In Part 1, you will have already provided information about the care settings you were abused in. By providing this information here, your case worker can join together the name of the care setting with your statement of abuse.

Q1 | What is the name or location of the relevant care setting you were abused in?

(For example, the name of the care home, or the city or region where you lived in foster care or while boarded out).

Springboig St John's School

Do not worry if you are uncertain about dates or time. Please provide your best estimate.

Q2 | When were you abused?

For example: a single date, an age, or an approximate time or time range.

1994-1996

You do not have to provide names, if you cannot remember or do not feel comfortable doing so. If you do provide a name it will be passed to Police Scotland.

Q3 | Who was involved in your abuse?

For example: a member of staff, a peer or someone outside the care setting.

The information you provide will be used by Redress Scotland to make a decision about your application. Redress Scotland will use the "Assessment framework" to help them do this, available on [gov.scot](https://www.gov.scot). Please be aware that it contains graphic descriptions of abuse.

Q4 | On the next page, please provide as much information as you can about:

- the abuse you experienced while living in this care setting
- what life was like for you during this time
- how the people responsible for your care and welfare failed to carry out that duty (within or beyond your care setting)

You can continue on additional pages if you need to.

Part 2 of the application form provides more information about what you may want to include.

Your statement for additional care settings

I was placed here in my teenage years. The first handful of months was ok to settle in to before the abuse started to happen. The staff would physical abuse us by beating us, throwing wooden ashtrays at us, snooker balls and cues, hit me with sets of keys and physically beat me.

I'd always run away as I didn't end up liking this care setting. When I was brought back, the staff would organise for the other older residents to beat me up, this would sometimes range from 2-5 people depending on how many jumped in to beat me. I was only a little teenager and couldn't defend myself. I was left bruised from this.

Sometimes of an evening you could ask for something to eat, sometimes it would be a no and some nights I was allowed. This would leave me going to bed hungry sometimes.
