Your statement for additional care settings

In Part 1, you will have already provided information about the care settings you were abused in. By providing this information here, your case worker can join together the name of the care setting with your statement of abuse.

Q1 | What is the name or location of the relevant care setting you were abused in?

(For example, the name of the care home, or the city or region where you lived in foster care or while boarded out).

Foster Care

Do not worry if you are uncertain about dates or time. Please provide your best estimate.

Q2 | When were you abused?

For example: a single date, an age, or an approximate time or time range.

2000-2002

You do not have to provide names, if you cannot remember or do not feel comfortable doing so. If you do provide a name it will be passed to Police Scotland.

Q3 | Who was involved in your abuse?

For example: a member of staff, a peer or someone outside the care setting.

The information you provide will be used by Redress Scotland to make a decision about your application. Redress Scotland will use the "Assessment framework" to help them do this, available on [gov.scot](https://www.gov.scot). Please be aware that it contains graphic descriptions of abuse.

Q4 | On the next page, please provide as much information as you can about:

- the abuse you experienced while living in this care setting
- what life was like for you during this time
- how the people responsible for your care and welfare failed to carry out that duty (within or beyond your care setting)

You can continue on additional pages if you need to.

Part 2 of the application form provides more information about what you may want to include.

Your statement for additional care settings

When I was placed in to Foster care I was around 12 years old. Being away from my family made me very unsettled. I was treated poorly and I felt like the care was low enough just so the foster parents could receive a paycheck. The foster dad was in the army and he would of a morning come in to my room and kick my bed to wake me up and this was every single morning. I suffered emotional abuse by for example: If I didn't eat all my dinner I'd be grounded or have my pocket money reduced. This would be because I was full or didn't like the food and this really made me unsettled as this was also a daily thing to happen. I'd used my manners in asking to leave the table and I was shouted at being told no.

Every month my parents were given an allowance for my clothing but they pocketed that and put me in clothes they wanted me to wear wearing cheap clothes from charity shops and this took away my self esteem. It knocked my confidence as a young child which led me to being bullied.
