Good morning Mr Reynolds,

We hope all is well.

We are currently have been in receipt of your records from the following institutions:

Scottish Prison Service
NHS Greater Glasgow and Clyde

We are currently receiving some pushback from local councils in relation to collecting your records. Could you kindly provide us with the following information to help assist us with your Scottish Redress Application. The further information we need is as follows:

Parents names
Previous names in care
Address immediately before Care
Current registered GP details

From the brief summary of your experience during your time in care, we believe that once we are in receipt of your records that can provide a trail of your placements. Your application would be a high level 3 - low level 4 - therefore compensation ranging from £60,000 - £80,000.

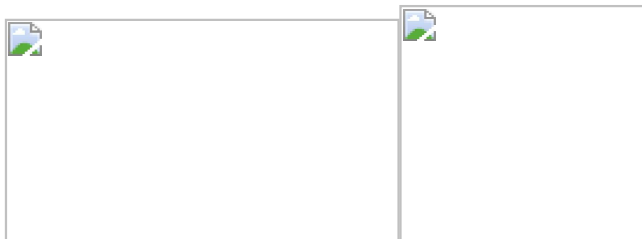

Please note that this figure sum is not a guarantee, this is a rough estimate from the guidelines provided by the Scottish Redress Scheme.

We look forward to hearing from you in due course.

Kind regards,

James
