Your statement for additional care settings

In Part 1, you will have already provided information about the care settings you were abused in. By providing this information here, your case worker can join together the name of the care setting with your statement of abuse.

Q1 | What is the name or location of the relevant care setting you were abused in?

(For example, the name of the care home, or the city or region where you lived in foster care or while boarded out).

Foster Care

Do not worry if you are uncertain about dates or time. Please provide your best estimate.

Q2 | When were you abused?

For example: a single date, an age, or an approximate time or time range.

1964

You do not have to provide names, if you cannot remember or do not feel comfortable doing so. If you do provide a name it will be passed to Police Scotland.

Q3 | Who was involved in your abuse?

For example: a member of staff, a peer or someone outside the care setting.

The information you provide will be used by Redress Scotland to make a decision about your application. Redress Scotland will use the "Assessment framework" to help them do this, available on [gov.scot](https://www.gov.scot). Please be aware that it contains graphic descriptions of abuse.

Q4 | On the next page, please provide as much information as you can about:

- the abuse you experienced while living in this care setting
- what life was like for you during this time
- how the people responsible for your care and welfare failed to carry out that duty (within or beyond your care setting)

You can continue on additional pages if you need to.

Part 2 of the application form provides more information about what you may want to include.

Your statement for additional care settings

My earliest memories of being in care are from when I was around four years old. My mum had a lot of health problems, so I was in and out of care from the age of four until I was 16. I was moved around a lot and never had any stability.

The first placement I can remember was a foster home. I was so young that I slept in what was like a cot bed. I remember the foster carers' son being cruel to me. I cannot remember every detail because I was so young, but I remember feeling frightened and unsafe. Those memories have stayed with me.

I remember my dad coming to take me away from that placement. After that, I was placed in another children's home with my sister. Even at such a young age, being moved from place to place left me feeling confused, unsettled, and like I had no real home.
