Subject: Application Update: Scotland's Redress Scheme - Iris Stein 17.06.1957

Good morning,

I hope you are well.

I have been assigned as Iris Stein's caseworker, for her individually assessed redress application.

I can see that Iris' application is prioritised based on her age, therefore it is important that I receive the outstanding documentation and information to allow me to promptly progress her application.

As per my colleague's email on the 17th March, the following is still outstanding:

- Statement of abuse for each care setting
- Please confirm whether your client is terminally ill
- Certified ID
- Care records
- Supporting documentation

- Bank statement
- Date of Birth for the Nominated Beneficiary

I look forward to your response.

Best wishes,

Kay

Caseworker
