

# CHRONOLOGY OF CARE AND PLACEMENT

Charles Edward Davies | Based solely on the supplied 14-page record packet

*The chronology distinguishes a **legal supervision requirement**, an **actual / ordered residential placement**, and later **remand custody**. Where an exact physical admission or discharge date is not expressly stated, that limitation is shown.*

| Date / period                                                | Age   | Care setting / location                                                                               | Status / admission-discharge                                                                                                                                                                                | Placing / responsible authority                                                               | Reason / evidence and source                                                                                                                                                                                                                                                |
|--------------------------------------------------------------|-------|-------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 22 Aug 1972 - 8 Jul 1974                                     | 13-15 | Community supervision; home address 13 Sloan Street, Catrine                                          | Existing supervision requirement. Continued on review in Aug 1973; terminated 8 Jul 1974.                                                                                                                   | County of Ayr Children's Hearing / Social Work Department                                     | Earlier offending / behavioural supervision. Page 13 records the 22.8.72 supervision history; page 14 records termination on 8.7.74.                                                                                                                                        |
| 8 Jul 1974 - before transfer on 10 Jul 1974                  | 15    | Kirkland Park Assessment Centre, Darvel                                                               | Children's Hearing ordered residence there "meantime" pending Rossie Farm. Exact physical admission / discharge times are not stated.                                                                       | County of Ayr Children's Hearing; supervision by Ayr County Social Work Department            | A full residential assessment was considered appropriate because of repeated offending, deterioration at home and school, poor self-discipline / impulsivity and need to assess response to a residential environment. Pages 1 and 4.                                       |
| 10 Jul 1974 - Oct 1974                                       | 15-16 | Rossie Farm / Rossie School (List D School), Montrose, Angus; Rossie School letterhead gives DD10 9TW | Residential requirement from 10 Jul 1974. By 25 Oct he is described as an absconder from Rossie Farm. School roll removed after remand in custody following court on 28 Oct 1974; letter dated 30 Oct.      | County of Ayr Children's Hearing; Ayr County Social Work Department; Rossie School management | Placement followed the residential assessment decision. Repeated theft / malicious mischief and deteriorating behaviour were central to the decision. Page 1 imposes residence; page 13 corroborates it; page 10 records absconding; page 11 records the remand transition. |
| Recent leave during Rossie placement - exact date not stated | 16    | Rossie Farm / community leave                                                                         | Longriggend background note records casual factory employment during "recent leave"; no exact leave dates in packet.                                                                                        | Rossie / supervising authority not further specified in the note                              | Useful as evidence that temporary leave occurred. Page 6.                                                                                                                                                                                                                   |
| By 25 Oct 1974                                               | 16    | Rossie Farm                                                                                           | Recorded as "absconder from Rossie Farm". Exact date of leaving / absconding is not stated.                                                                                                                 | Social Work Department / court process                                                        | Social enquiry notice prepared for Ayr Sheriff Court; RTA & theft. Page 10.                                                                                                                                                                                                 |
| 28 Oct 1974 onward                                           | 16    | Remand custody; H.M. Remand Institution, Longriggend, near Airdrie identified by Nov 1974             | After appearing at Ayr Sheriff Court on 28 Oct 1974 he was remanded in custody. Rossie School took him off its roll for the time being on 30 Oct. Exact Longriggend admission date is not expressly stated. | Criminal court / remand authorities; social work remained involved                            | Rossie headmaster letter confirms remand and roll removal. Longriggend note says he attended Rossie Farm until apprehended. Pages 6 and 11.                                                                                                                                 |
| 17 Dec 1974                                                  | 16    | Statutory supervision                                                                                 | Formal supervision requirement terminated. This is later than the October removal from Rossie School roll and should not be treated as the physical discharge date from Rossie.                             | County of Ayr Children's Hearing                                                              | Instrument terminating supervision requirement. Page 5.                                                                                                                                                                                                                     |

*Key discrepancy: most records state DOB **9 September 1958**, but the Ayrshire Constabulary convictions sheet on PDF page 13 states **9 October 1958**. The chronology uses 9 September 1958 because it is repeated on the Social Background Report, Rossie School letter and Ayr County Social Work form, while preserving the discrepancy in the evidence sheet.*
