16 February 2026

Dear Mr Fisher,

I am writing to confirm that we have received your application for Scotland's Redress Scheme. Your application reference number is : APP540550

Your application will be assigned to a designated case worker who will be responsible for working on your application and will be a point of contact throughout the process.

Please note that due to the high volumes of redress applications received, the time taken to have applications assigned to a case worker is taking longer than we would like. Whilst we cannot provide a timescale for how long it may take to have your application assigned to a case worker, it may be helpful to be aware that we are currently assigning applications that were received in March 2025.

We would like to reassure you that we are working hard to ensure your application will be assigned at the earliest opportunity. You can continue to provide further information to the scheme in order to progress your application. You can also contact the team if you wish to discuss your application. They are here to help and answer any questions you may have.

We have reviewed the documents provided to date, and provide a summary of the further information required below.

In summary:

- Part 1 (further information)
- Certified ID – information sheet included
- Care records – information sheet included
- Supporting documentation
- Bank details

Support service

We have a support service who can provide practical support with the application, emotional support through the process and support to access records. If you would like to access support from our support service, please contact us on the details below.

Further Information

We are enclosing a copy of the Summary of Options guidance, and a flow chart providing information about the application process, which we send to all applicants.

We provide some further information about the documentation required to progress your application below:

Part 1 Application

In Part 1 of the application form there is some important information missing. You have not completed your address, and what is added in, does not match the letter you have provided. Your address will therefore need to be confirmed. You have also not fully completed the nominated beneficiary details. Could you please send over the DOB, address and telephone number for Sarah Jane Fisher. The bank details also need to be completed.

Bank Statement

You have not provided your bank details. In order to ensure any payment is only received by applicants we will require a bank statement to confirm your account. We do not need to see any transactions, simply your name, address, sort code and account number. If you have any questions regarding this please do not hesitate to contact me.

You have not selected the type of application you would like to apply for – fixed rate or individually assessed payment. Please contact a case worker if you would like to discuss the options further.

For a Fixed rate application we will require Part 2 of the application. For an individually assessed application we will require Part 3 of the application. Both parts require you to provide a statement of abuse which can be the most difficult part of the application to be complete. Please contact us if you would like some support to write your statement. Our Redress Support Service can offer practical support such as transcription and also emotional support.

Certified ID

This information is needed to confirm who you are.

You must do this by providing a certified copy of your identification documents.

I have enclosed/attached an information sheet regarding the types of identification required by the scheme and how to get them certified.

Care Records

For individually assessed payment applications, you need to provide one document to show you were in the care of each relevant care setting you mention in your application.

Please see page 22 of the “Help to Apply” guidance.

Supporting Documents

For individually assessed payment applications, you need to provide at least one document that supports your statement of abuse.

You can read more about documents you can use on page 33 of the “Help to Apply” guidance.

Further help and support

If you have any questions about the contents of this letter, require additional copies of application forms, or require any further support concerning your application, please don't hesitate to get in contact with us.

Solicitor's fees

You can choose to involve a solicitor to support you with your application to Scotland's Redress Scheme. You do not need to involve a solicitor to make an application. You can contact us directly using the details below.

Scotland's Redress Scheme can pay fixed fees directly to your solicitor. This is available to all applicants and is not means tested. You should check that your solicitor will work for the fees available. They should request payment directly from Scotland's Redress Scheme.

You or your solicitor can find out more information on available fees by contacting us using the details below, or by reading the statutory guidance on gov.scot/redress.

Even though the fees are paid by Scotland's Redress Scheme, your solicitor is independent. They will work for you and not for Scotland's Redress Scheme.
