Good afternoon, Duane/Nicole

Your file now sits with the investigations team whose responsibility is to obtain your personal files from the relevant government bodies and "paint a picture" of your time and experience in care.

We are struggling to identify your correct GP surgery. We understand it to be Woodside Medical Practice, can you please provide further information on this? The area or address would suffice. This will allow us to write to the surgery and obtain your records to assist with your Scottish Redress Claim.

Kind regards,
