- submit a previous statement (for example, a copy of a statement given to the police)
- write your statement in another format that is better suited to you

How to complete this section

You may have been abused in one relevant care setting, or in several different ones.

For this part of the application form, please provide a statement about each care setting you were abused in.

You can do this in any order that makes sense to you.

There are pages for 4 care settings included in this form. If you need more copies, you can:

- contact a case worker
- make a copy yourself
- print additional pages from mygov.scot/redress

Please remember:

- there are no wrong answers - if Redress Scotland needs more or different information, your case worker will get in touch with you and let you know
- do not worry about your spelling
- use as much or as little space as you need to give your information - you can continue on additional pages if you want to

I was just a child when I suffered horrific physical and mental abuse in the children's home in Longriggend—abuse that has destroyed my life. For 9 brutal, endless months, the very people who were supposed to care for me tortured me instead. They locked me away in cells like an animal and strapped me into a straightjacket when I was terrified and alone. They held me down and injected me with Largactil, a powerful drug that left me disoriented and suffering.

I was helpless. I was abandoned. I was betrayed by the adults who should have protected me.

They tied me down naked, stripping away every shred of my dignity and humanity. I had no bed, no warmth, no safety—nothing. The staff tormented and bullied me relentlessly, breaking me down piece by piece. I cried out for help, but no one came. No one saved me.

Today, decades later, I am still trapped in the nightmare they created. I live every single day drowning in anxiety, consumed by mental health struggles, and paralyzed by PTSD. I can't trust another human being—not anymore. They took everything from me: my innocence, my childhood, my ability to feel safe in this world.

The scars they left run so deep that I don't know if I'll ever truly heal. What they did to me was evil, and I am still paying the price for their cruelty every single day of my life.
