Dear MMA Legal

I write with regards to the above request. My colleagues in the information rights team will keep you updated on progress.

I am a social worker within the team, and my role is to support care experienced people who want to access their records. I can help provide some context to make sense of people's records and their time in care. This support is entirely voluntary and available at any time.

I would appreciate it if you could pass this offer of support on to your client if you feel it appropriate to do so. Please also see attached a leaflet which provides some more information about the process for them.

Kind Regards

Lydia Cunningham *(She/Her)* | Senior Social Worker | Information Governance Unit | Chief Executive's Office | City Chambers | Tel: 07563 397861

Please note, I do not work on a Friday.
