2024	Not stated / redacted	Care context not clearly stated	A sexual-abuse allegation was recorded; the alleged perpetrator is redacted in the source.	Document 1 p.95 Document 1 p.151

Key eligibility conclusion

The records provide supporting evidence of residence in relevant care settings before 1 December 2004, together with later records documenting legal status, reviews, missing-person episodes, safeguarding concerns and throughcare. Institution names are shown only where supported by the source; unclear or redacted settings are expressly marked rather than inferred.
