

Mathlian Downs  
Address to be confirmed

Monday 09<sup>th</sup> February 2026

Dear Matty,

I am writing to provide an update in respect of your application to Scotland's Redress Scheme. We can confirm we received your application on 27 January 2026. Your application reference number is: APP632061

Your application will be assigned to a designated case worker who will be responsible for working on your application and will be a point of contact throughout the process.

Please note that due to the high volumes of redress applications received, the time taken to have applications assigned to a case worker is taking longer than we would like. Whilst we cannot provide a timescale for how long it may take to have your application assigned to a case worker, it may be helpful to be aware that we are currently assigning applications that were received in February 2025.

We would like to reassure you that we are working hard to ensure your application will be assigned at the earliest opportunity. You can contact the team in the meantime if you wish to discuss your application. They are here to help and answer any questions you may have.

We have reviewed the documents provided to date and provide a summary of the further information required below.

In summary:

- Part 1 (further information)
- Certified ID – information sheet included
- Name Change documentation
- Care records – information sheet included
- Supporting documentation

## **Further Information**

We are enclosing a copy of a flow chart providing information about the application process.

We provide some further information about the documentation required to progress your application below:

## **Part 1 Application**

In Part 1 of the application form, some important information is missing:

- Full name: Please confirm your full legal name. The application is under Mathlian Downs, but the letter provided is addressed to Mathlian Quinn–Downs.
- Home address: The full address is missing from Part 1 of the application. Additionally, the address shown on the letter provided does not match the Royal Mail database when the postcode is searched. Please confirm your correct full address.
- Beneficiary details: Please provide the date of birth and full address for your nominated beneficiary.

## **Bank Statement**

You have provided your bank details, thank you. In order to ensure any payment is only received by applicants we will require a bank statement to confirm your account. We do not need to see any transactions, simply your name, address, sort code and account number. If you have any questions regarding this please do not hesitate to contact me.

## **Certified ID**

This information is needed to confirm who you are.

You must do this by providing a certified copy of your identification documents.

I have attached an information sheet regarding the types of identification required by the scheme and how to get them certified.

## **Certified Name Change Documents**

If your name has changed you will need to show evidence of this. Examples of this can include marriage, divorce or adoption certificates. These need to be **certified**.

## **Care Records**

For individually assessed payment applications, you need to provide one document to show you were in the care of each relevant care setting you mention in your application.

Please see page 22 of the “Help to Apply” guidance.

I enclose information sheet regarding the different ways to access care records.

### **Supporting Documents**

For individually assessed payment applications, you need to provide at least one document that supports your statement of abuse.

You can read more about documents you can use on page 33 of the “Help to Apply” guidance.

### **Further help and support**

If you have any questions about the contents of this letter, require additional copies of application forms, or require any further support concerning your application, please don't hesitate to get in contact with us.

### **Solicitor's fees**

You can choose to involve a solicitor to support you with your application to Scotland's Redress Scheme. You do not need to involve a solicitor to make an application. You can contact us directly using the details below.

Scotland's Redress Scheme can pay fixed fees directly to your solicitor. This is available to all applicants and is not means tested. You should check that your solicitor will work for the fees available. They should request payment directly from Scotland's Redress Scheme.

You or your solicitor can find out more information on available fees by contacting us using the details below, or by reading the statutory guidance on [gov.scot/redress](http://gov.scot/redress).

Even though the fees are paid by Scotland's Redress Scheme, your solicitor is independent. They will work for you and not for Scotland's Redress Scheme.
