Subject access requests such as these should be directed to the relevant local authority via their information governance/data protection channels. They will then request us, as their archive service, to undertake searches as required and if appropriate. We do not hold “care” records or social work records and nor do we hold medical records. Your request for “care” and social work records should be directed to the relevant local authority responsible for the care home/s.

As this is the central email account for the archive service of three councils, it is accessed by a number of staff, therefore we would request you do not send sensitive, personal and medical details of clients to this email address. As we do not process subject access requests, **it is inappropriate for us to be in receipt of these details.**

To this end, please see below for contact details for all three Ayrshire Council’s.

East Ayrshire Council:- [Data protection and freedom of information · East Ayrshire Council](#)
