Dear Alexander,

I am writing to confirm that we have received your application for Scotland's Redress Scheme. Your application reference number is : APP942637

Your application will be assigned to a designated case worker who will be responsible for working on your application and will be a point of contact throughout the process.

Please note that due to the high volumes of redress applications received, the time taken to have applications assigned to a case worker is taking longer than we would like. Whilst we cannot provide a timescale for how long it may take to have your application assigned to a case worker, it may be helpful to be aware that we are currently assigning applications that were received in February 2025.

We would like to reassure you that we are working hard to ensure your application will be assigned at the earliest opportunity. You can continue to provide further information to the scheme in order to progress your application. You can also contact the team if you wish to discuss your application. They are here to help and answer any questions you may have.

We have reviewed the documents provided to date, and provide a summary of the further information required below.

In summary:

- Certified ID – information sheet included
- Care records – information sheet included
- Supporting documentation

### **Support service**

We have a support service who can provide practical support with the application, emotional support through the process and support to access records. If you would

like to access support from our support service, please contact us on the details below.

### **Further Information**

We are enclosing a copy of the Summary of Options guidance, and a flow chart providing information about the application process, which we send to all applicants.

We provide some further information about the documentation required to progress your application below:

#### **Certified ID**

This information is needed to confirm who you are.  
You must do this by providing a certified copy of your identification documents.

You have provided a copy of your NEC card and bank statement which are appropriate identification documents, however the scheme requires these to be certified. Please see enclosed/attached information sheet on how to certify documents.

#### **Care Records**

For individually assessed payment applications, you need to provide one document to show you were in the care of each relevant care setting you mention in your application.

Please see page 22 of the “Help to Apply” guidance.

I enclose information sheet regarding the different ways to access care records.

#### **Supporting Documents**

For individually assessed payment applications, you need to provide at least one document that supports your statement of abuse.

You can read more about documents you can use on page 33 of the “Help to Apply” guidance.

#### **Further help and support**

If you have any questions about the contents of this letter, require additional copies of application forms, or require any further support concerning your application, please don't hesitate to get in contact with us.

#### **Solicitor's fees**

You can choose to involve a solicitor to support you with your application to Scotland's Redress Scheme. You do not need to involve a solicitor to make an application. You can contact us directly using the details below.

Scotland's Redress Scheme can pay fixed fees directly to your solicitor. This is available to all applicants and is not means tested. You should check that your solicitor will work for the fees available. They should request payment directly from Scotland's Redress Scheme.

You or your solicitor can find out more information on available fees by contacting us using the details below, or by reading the statutory guidance on [gov.scot/redress](http://gov.scot/redress).

Even though the fees are paid by Scotland's Redress Scheme, your solicitor is independent. They will work for you and not for Scotland's Redress Scheme.
