Our ref: SAR26-27 – 374-Access

Good afternoon

I am writing in response to the request you made to the Scottish Government requesting a copy of personal data on behalf of your client Jean Cadden.

Following a search by the Care Experience and Whole Family Wellbeing Division we have confirmed that we do not hold any records in relation to Ms Cadden. I appreciate that this will be disappointing for your client. However, National Records Scotland will respond to you directly to inform you of the results of the search of their records and may be also in the position to provide details of other public bodies who may hold information relating to your request.

If you are not happy with this outcome and wish to make a complaint, please contact the Scottish Government's Data Protection Officer in the first instance:

If, following this review, you still have concerns about the way your data has been handled you can write to the UK Information Commissioner's Office – the regulator for data protection in the UK – at the following address:
