- submit a previous statement (for example, a copy of a statement given to the police)
- write your statement in another format that is better suited to you

How to complete this section

You may have been abused in one relevant care setting, or in several different ones.

For this part of the application form, please provide a statement about each care setting you were abused in.

For example, if you were abused in 3 relevant care settings, please provide 3 statements.

You can do this in any order that makes sense to you.

There are pages for 4 care settings included in this form. If you need more copies, you can:

- contact a case worker
- make a copy yourself
- print additional pages from mygov.scot/redress

Please remember:

- there are no wrong answers - if Redress Scotland needs more or different information, your case worker will get in touch with you and let you know
- do not worry about your spelling
- use as much or as little space as you need to give your information - you can continue on additional pages if you want to

I am providing this statement to formally record the treatment I experienced while living at Rosedene. During my time there, I witnessed and experienced serious mistreatment, neglect, and abuse that caused lasting physical and emotional harm to me and my siblings.

While at Rosedene, staff members used physical punishment against children. I was struck on multiple occasions with a flat knife, which caused pain, fear, and distress. This form of punishment was inappropriate, excessive, and frightening, particularly as it was carried out by adults who were responsible for our care and protection. At the time, I did not understand that this behaviour was abusive, as it was presented as discipline and went unchallenged.

I also witnessed a serious incident involving my younger brother. I saw him fall from a window and strike his head. Despite the severity of the incident and the obvious risk to his health and safety, staff members failed to provide appropriate care or take action. This lack of response demonstrated a clear neglect of duty and left me feeling frightened and helpless.

In addition, my sister, Julia, suffered extreme mistreatment. She would scream during the night due to the way she was treated by staff. I witnessed her being forcibly submerged in water, which caused her distress and fear. Furthermore, because she has darker skin, staff members attempted to scrub her skin in an effort to make her lighter. This behaviour was not only abusive but also discriminatory and deeply harmful. It caused her significant distress and reflects a serious failure to provide safe and respectful care.

At the time, I did not feel able to speak out or seek help, as the environment was intimidating and unsafe. Looking back, I now recognise that what occurred at Rosedene was unacceptable and constituted physical abuse, neglect, and racial discrimination.

I am making this statement so that these events are formally acknowledged and recorded. Children in care deserve protection, dignity, and compassionate treatment. This account is true and accurate to the best of my knowledge and recollection.
