## Your statement for Care setting 1 continued

I was placed into care at the age of 4 for 4 years

Regular beatings with a pallet knife – staff that were working there – they were all very aggressive. Aunty Gordon used to watch the kids get beating and did not intervein.

Was regularly hit at bedtimes and at mealtimes usually for no reason – witnessed other people i.e. sister being held under water

Was shot with a pellet gun on several occasions by other children and it was encouraged that they fought, they were encouraged to fight and bully each other.

Hit on the head by a worker every time they passed

Hello Andrew,

A little background of my time in care.

If we missed behaved we were taken upstairs and our pants taken down and hit on the bare bum with a pallet knife. This happened to me on several occasions.

I remember there was a big table where we had to eat and if there was something you didn't like, they would force it down until you were sick. I clearly remember having to eat porridge with sugar, I didn't like it as we were brought up with salt in our porridge. They wouldn't let me tell them I didn't like it with sugar.

I witnessed 2 aunties giving my sister Julia a bath and they were holding her head under the water.

There was one boy who stayed in the home and he was running about shooting people with a pellet gun, me and my sister Julia ran outside as we were terrified, we hid behind the pram shed & he chased us out then found us and shot me in the knee.

My big sister Julia was nearly burned alive as they were in the pram shed, someone locked her in it & set it on fire. The aunties heard her screaming and let her out, thankfully.

As I was so young I think I have mentally blocked a lot out, but the above has always stuck with me
