Good afternoon,

Re: Subject Access Request

I refer to your recent subject access request, sent on behalf of Henry Young, which was received by our office 28 April 2026. The information you requested was:

- *A copy of all personal data held in relation to Henry and his time spent in residential care.*

Response

I can advise that, using the information you have kindly provided, I have carried out a search of all relevant systems and handwritten registers held by Perth and Kinross Council, however, I regret to inform you that I have been unable to identify any records relating to Mr Young. I understand that this will be extremely disappointing and I am sorry that I have not been able to provide the records your client is seeking.

It is not clear from the request form where Mr Young resided at the point at which he was admitted to care, however, it may be the case that your client's family home was outwith Perth and Kinross. If this is the case, and if you have not already done so, I would recommend submitting a subject access request to the local authority in which Mr Young ordinarily resided. This is because, as the placing authority, they should hold any information relating to Mr Young's time spent in care.

Once again, I am very sorry that I have been unable to assist with this request. Your subject access request is now complete.

If you wish to complain about how your request for information has been dealt with, please contact the Council's Data Protection Officer at DataProtection@pkc.gov.uk, or on 01738 477933. You can also write to Data Protection Officer, Legal and Governance Services, Perth and Kinross Council, 2 High Street, Perth, PH1 5PH.
