Dear Linda,

I am writing to provide an update in respect of your application to Scotland's Redress Scheme. We can confirm we received your application on 15/03/2026. Your application reference number is: APP410688

Your application will be assigned to a designated case worker who will be responsible for working on your application and will be a point of contact throughout the process.

Please note that due to the high volumes of redress applications received, the time taken to have applications assigned to a case worker is taking longer than we would like. Whilst we cannot provide a timescale for how long it may take to have your application assigned to a case worker, it may be helpful to be aware that we are currently assigning applications that were received in March 2025.

We would like to reassure you that we are working hard to ensure your application will be assigned at the earliest opportunity. You can contact the team in the meantime if you wish to discuss your application. They are here to help and answer any questions you may have.

We have reviewed the documents provided to date and provide a summary of the further information required below.

In summary:

- Clarification if you are applying for a fixed rate or individually assessed application
- Nominated beneficiary's details
- Statement of abuse for each care setting
- Certified ID – information sheet included
- Care records – information sheet included
- Supporting documentation
- Bank details
- Serious conviction confirmation

Support service

We have a support service who can provide practical support with the application, emotional support through the process and support to access records. If you would like to access support from our support service, please contact us on the details below.

Further Information

We are enclosing a copy of a flow chart providing information about the application process.

We provide some further information about the documentation required to progress your application below:

Fixed rate or individually assessed

Can you clarify which application you are applying for a fixed rate (£10,000) or individually assessed (Up to £100,000).

Nominated beneficiary

Thank you for letting us know you would like Kerry to be the nominated beneficiary for your application. Can you let us know what Kerry's date of birth is, her address and contact details.

Statement of abuse

To allow the panel to assess your application we will require a statement of what happened to you in each of the care settings you were in.

Certified ID

This information is needed to confirm who you are. You must do this by providing a certified copy of your identification documents. I have attached an information sheet regarding the types of identification required by the scheme and how to get them certified.

Care Records

For fixed payments, we need you to provide one document to show you were in one of the relevant care settings you mention in your application. Please see page 22 of the "Help to Apply" guidance.

Supporting Documents

For individually assessed payment applications, you need to provide at least one document that supports your statement of abuse. You can read more about documents you can use on page 33 of the "Help to Apply" guidance.

For individually assessed payment applications, you need to provide one document to show you were in the care of each relevant care setting you mention in your application. Please see page 22 of the “Help to Apply” guidance.

Bank Statement

You have provided your bank details, thank you. In order to ensure any payment is only received by applicants we will require a bank statement to confirm your account. We do not need to see any transactions, simply your name, address, sort code and account number. If you have any questions regarding this please do not hesitate to contact me.

Serious convictions

Thank you for confirming you do not hold any relevant serious convictions. We are required to re-confirm this with all applicants to the scheme. Can you please reconfirm that you do not hold:

A conviction for a serious criminal offence, either:

- A conviction for rape or murder
- Received a sentence of imprisonment of 5 years or more for a relevant violent or sexual offence

Further help and support

Solicitor's fees

You can choose to involve a solicitor to support you with your application to Scotland's Redress Scheme. You do not need to involve a solicitor to make an application. You can contact us directly using the details below.

Scotland's Redress Scheme can pay fixed fees directly to your solicitor. This is available to all applicants and is not means tested. You should check that your solicitor will work for the fees available. They should request payment directly from Scotland's Redress Scheme.

You or your solicitor can find out more information on available fees by contacting us using the details below, or by reading the statutory guidance on gov.scot/redress.

Even though the fees are paid by Scotland's Redress Scheme, your solicitor is independent. They will work for you and not for Scotland's Redress Scheme.
